SIR WILFRID LAURIER PLEASED.

A Splendid and Brilliant Campaign Carried to a Successful Issue-Enthusiasm at Liberal Headquarters-Mr. Bertram Speaks Warm Words of Thanks to His

Friends. Majority for Bertram .

Toronto, Dec. 1 .- A good cause, an excellent candidate, enthusiastic workers and supporters, combined to make the Liberal forces of Centre Toronto irresistible yesterday. The battle was one of the most determined ever fought in the city, both sides being keyed up to do their

There was no disunion in the Conservative ranks to excuse failure. Tupper Tories and anti-Tupperites, remedialists and anti-coercionists, Mr. John Ross Robertson and Mr. George E. Foster, Mr. Clarke Wallace and Dr. R. B. Orr, who tried to unhorse him in West York in the general elections every section of the

Tory party was at work. The result is that in a city which the Conservatives formerly thought a pocket borough of the party, and in a constituency which had been Conservative from 1878 till it was redeemed by Mr. Lount in 1896, the Liberal majority of 240 at the general election has been increased to 276. This, too, in a deliberate trial of strength and on ground of attack chosen by the Opposition and accepted by the supporters

Headquarters was crowded with workers after five o'clock waiting for the verdict. When the returns, which came in rapidly, proved beyond doubt that Mr. Bertram was member for Centre Toronto the ardor of his friends broke bounds, and cries of "speech, speech," were heard all over the room. Mr. Rutter, who has done such magnificent work in the management of Mr. Bertram's campaign, before calling on Mr. Bertram, thanked the members of the Executive Committee, every man who worked in the campaign, and every elector of St. John's and St. James' Wards who

supported Mr. Bertram.

Mr. Rutter then introduced Mr. Bertram, who was received with tremendous enthusiasm. Every man in the hall waved his hat in the air and shouted, and shout ed again. "For He's a Jolly Good Fellow" was sung with great vigor, and the cheering was renewed. Mr. Bertram said: Fellow electors of Centre Toronto,-I am proud to think that the Liberals, that the electors, of Centre Toronto have by their vote shown that they have confidence in the Liberal Government led by Hon. Sir Wilfrid Laurier. I am of the Government than I am that it concerns me personally, because if the electors the Government would not have been sustained, and allow me to add this-now Smith, is recovering from his severe illness. tained, and allow me to add this—now that I am in, the Tories will never get me out. (Cheers.) I desire to thank the Liberals-the Liberals, I desire and wish to emphasize the word. It is the Liberals that I desire to thank for the splendid support they have given me." He shou le ing of the Palestine cheese factory will viewed the issues of the campaign and closed with still warmer words of thanks. if that were possible.

At The Star office and The Globe office, to which Mr. Bertram was escorted by enalso spoke in similar terms. From all over Canada poured in telegrams of congratulation, this one from Ottawa was received with great enthusiasm and pleasure.

It is true that the nearer men and women approach the divine ideal the more earthly happiness will they onjoy. In order to march steadily onward to the great goal set before all, men and women must be physically sound. Purity of heart and grand elevation of mind will never accom. plish the great victory if the body be sick
