

Charity.

When you meet with one suspected Of some secret deed of shame, And for this by all rejected As a thing of evil fame...

When you meet with one pursuing Ways the lost have wandered in, Working out his own undoing With his recklessness and sin...

There are spots that bear no flowers, Not because the soil is bad, But the summer's genial showers Never make their bosoms glad...

OUR EXCHANGES.

Whitney's Musical Guest and Literary Journal commences its sixth volume with the January number in an entirely new dress...

The office of publication of the British American Good Templar has been removed to Guelph, and the paper has been changed to a semi-monthly...

ONE of the most valuable periodicals we receive is Zell's Magazine, a new illustrated monthly, published at Philadelphia, U.S.

As we anticipated, Mr. Geo. H. Fox has made a great alteration, in appearance, tone, and other respects, in the Newmarket Courier...

NORTH SIMCOE AGRICULTURAL SOCIETY.—The annual meeting of this Society was pretty largely attended, and a good show of work for next year was made.

THE Summerside Progress directs attention to the fact that constitutional government was first established in Prince Edward Island in 1773...

SELECTIONS.

THE General Sessions will open at the Court House, Barrie, on Wednesday next.

THERE is no fool so great a fool as a knowing fool. But to know how to use knowledge is to have wisdom.

QUEEN VICTORIA sent a gold spittoon to the King of Siam, who uses it on State occasions for an oyster tureen.

The storehouse of Mr. Willis, wool broker, at Port Hope, was destroyed by fire, on Friday. Loss, 8,000 lbs. of wool. Insured.

MR. GEORGE ANDREWS, the oldest of the storekeepers in Minden, has closed his store in that place, and is now opening out at Cobocok.

FRIENDSHIP.—Do not be the first to break with a friend. Sorrow gnaws the heart of him who hath no one to advise with but himself.

TRUE religion shows its influence in every part of our conduct; it is like the sap of a living tree, which penetrates the most distant boughs.

On the 24th instant, the freeholders of Barrie will vote upon a By-law to aid the Hamilton and North-Western Railway Company by a Bonus of \$20,000.

HORACE GREELEY was a member of the Order of the Sons of Temperance, and the Grand Division of Eastern New York attended his funeral in full regalia.

WHEN you are troubled with any adverse event, think that it comes from God, and say immediately, such is God's will, and with this be restored to tranquility.

By renouncing all the pleasures and gratifications of the world, the servant of Christ dwells beyond the circle of dangers and cares which ever surround the rich on earth.

JUDGE BURNHAM has sentenced Mr. Fitzmaurice to three years imprisonment in the Penitentiary, for arson, in setting fire to his store, and causing the late disastrous fire in Oshawa.

How fast time flies when you are working against it—how slowly when you are working to fill it up!

What a difference between trying to get your work done before dinner hour, and trying to fill up the hour before dinner with work.

It is rather annoying, these times, after you have disorganized a pair of trousers in experimenting with the sidewalk, to have another fellow take advantage of your discovery and inform you, as you struggle to your feet, that "that's a very slippery place, sir."

ONE great fault of our day is want of reverence for sacred things. The heathen treated their mythological deities more respectfully than Christians treat their omnipotent God.

THE LAW OF COURTSHIP.—A Vermont judge has decided that no explicit promise is necessary to the parties to a marriage contract, but that long continued attention or intimacy with a female was good evidence of matrimony as a special contract.

COULD we enter the dread regions of the lost, and ask, What peopled hell the thickest? Would they not answer, That fatal delusion, procrastination! How sad the case of that man, who, just before he passed to the presence of his Judge, remarked to his sorrowing friends, "The battle's fought, but the victory for ever lost!"

An unhappy poet remarks: "When the sun has set on the green-clad hills, and the nightingale's gone to its nest, and there is that which banishes cares and hills, 'Tis to pillow my head on her breast." It would be worth eleven cents to see the poet pillow his head on the nightingale's breast—wouldn't it? We judge his head is very small.

THE symptoms of spiritual decline are like those which attend the decay of bodily health. It generally commences with loss of appetite and a disrelish for spiritual food, prayer, reading the Scriptures, and devotional books.

THE Jonadabs are a remarkable body of temperance men at Washington. They take what they call the "Iron Clad Pledge" against all intoxicating drinks.
