proved Farms, in the older settled portions of
the County of Victoria. The interest charged
is 8 per cent., and is not required in advance
thereby giving the borrower the use of the money
for the full term of the loan. Borrowers must
bear in mind that when they pay back by instalments of principal and interest annually, they do
not have the use of the money for the term of
years they borrow and thereby pay double the
rate of interest. This makes the plan of borrowing for a term of years and only paying the in-
