be reproduced by every good man, and an potenties of the latter Cominsult to the British Constitution, and the tell from the pretensions of a maglaw of the land under which the offender nificent hotel to the position of a of peace. proven. Mr. Lount's special pleading, surrounds it.

prisoner was in the habit, being a con-tractor on the Northern Road, of carry- able Institution continued to flour- when we contrast our treatment interested in the completion of the Midtractor on the Northern Road, of carry ish, and to be managed with great with that extended to our sister villand Railway to the Georgian Bay. If Now is your time to buy your Stoves and store properly presented to them, without the same rule, that we were living under a same rule, with the Court; it being argued by that success and credit, by the late Dr. lage, Penetanguishere, we have properly presented to them, without the Stove-pipes, Copper, Tin, Sheet Iron, and was out of our cognizance. The question age of monster establishments, our both political parties. Japan Ware, at prices that will astonish of right or wrong in the matter is easily excellent institution began to be settled. It was clearly wrong in law for looked down upon as too small and t with all deference to His Honor Judge Gowan, the prisoner did not get his deserts. His Honor, no doubt, took a leuiserts. His Honor, no doubt, took a leuisert serts. His Honor, no doubt, took a leuisert serts. The time makes of the matter; but, as he said in removed to that either that sold probably be sufficient to ensure the city of London, and at that would probably be sufficient to ensure their made of the surplus to which it is entitled, and that would probably be sufficient to ensure their made of the surplus to which it is entitled, and that would probably be sufficient to ensure their made of the surplus to which it is entitled, and that would probably be sufficient to ensure their made of the surplus to which it is entitled, and that would probably be sufficient to ensure their made of the surplus to which it is entitled, and the company would receive that porton against that would probably be sufficient to ensure their made of the surplus to which it is entitled, and the company would receive that porton against that would probably be sufficient to ensure the city of London, and at the city of London, and at the city of London, and at the city of London against that would probably be sufficient to ensure the city of London against that would probably be sufficient to ensure the city of London against the city of London against that would probably be sufficient to ensure the city of London against that would probably be sufficient to ensure the city of London against the A call will satisfy you that he is a man to carry arms, and we take it, that, insignificant. A vast building is put ent view of the matter; but, as he said in removed to that city. The time mons, Mr. Ardagh has at last made work with vigour. his address to the prisoner, it was a merhis address to the prisoner, it was a merchosen for this removal was Novema distinct and direct declaration of Providence, that he nis address to the prisoner, it was a mer chosen for this removal was Novemiciful intervention of Providence, that he did not, at that time, stand at that Bar, of the year, the new collification of the County of did not, at that time, stand at that Bar, accused of murder. Premised thus far:— of the year—the new edifice was accused of murder. Premised thus far:— badly drained the walls were damn. ten how Mr. Ardarh himself was scheme has affected a deserving Company, badly drained the walls were damn. accused of murder. Fremised thus lar .\_ of the joint and lies company, ten how Mr. Ardagh himself was and the interests of this section of the His Honor said it was not always easy to no proper means for heating the put hors de combat on a former oc- Province. For this we do not blame the deal out evenhanded justice. In the pre-sent case he was called upon to adjudicate sent case he was called upon to adjudicate sent case he was called upon to adjudicate force and cickness provided. By the same position of the pre-ference of this we do not blame the put nors accompant on a former oc-building had been provided, and casion in precisely the same position what they considered right, but place censent case he was called upon to adjudicate upon a case where the law gave him power to inflict a very severe penalty, but the law also allowed him discretionary powers.

Ounding nad been provided, and casion in precisely the same position in which Mr. Cook is now placed by tween the stool of an untimely reties also well known that Mr. Cook is now placed by tween the stool of an untimely reties also well known that Mr. Cook is now placed by the instrumentality of Mr. Ardagh. It is also well known that Mr.

however, was not with felonious, intent; fell into the arms of death. but His Honor said, in most cases the intive the prisoner was induced to fire that show new training his chair shot. The evidence was plain that it was first whether with following intent or the heating apparents. A desire whether with following intent or the heating apparents. A desire will be remembered how he then shot. The evidence was plain that it was fired, whether with felonious intent or not the set was apparent. Facts could be some extent. These figures apparatus. A desire will be remembered how he then has introduced his promised Bill for the h nred, whether with resonance apparatus. A desire not, the act was apparent. Facts could not be disputed: and it was from facts, not, the act was apparent. racts could not be disputed; and it was from facts, and facts alone, he could be guided in his judgment. His Honor then went into a and facts alone, he could be guided in his judgment. His Honor then went into a digest of the evidence. Some of it he found incompatible with physical laws. In fact, the statements made were physical laws. In fact, the statements made were physical laws. In fact, the statements made were physical laws. nound incompatible with physical laws. In the statements made were physical impossibilities. In this matter His Honor had reference to the angles at Honor had reference to the angles at In tact, the statements made were physical impossibilities. In this matter His Honor had reference to the angles at which the ball had been fired; and its which the ball had been hed; and he induced to hand it over to the lodgen and so fourth, he found utterly onangles and so fourth, he found utterly antrue. As to the shooting, he had no doubt it was an entirely unthinking act—an act of braggadocia, of which the per-an act an act of braggactoria, of which the perpetrator would, on a moment's reflection, a sum which with ten years' interest all decency, he, above all men, each in real estate, in any constituency decreased more than the sum previously decreased more than t feel ashamed and aggrieved; but this law amounts to \$3,400. Added to this should not so soon forget. The great where parties were nearly equally divided, of intimidation, he, in common with the Bench of Canada, was determined to put down. His Honor drew the distinction between a sudden and an accumulated passion. On the spur of the moment, a man might commit a crime which would man might commit a crime which would made no reply was returned. A sebe a life-time regret. On the other hand, there might be a settled purpose. The there might be a settled purpose. The latter would be infinitely the greater same result. Our member, Mr. Ar- erly occupied by Mr. Ardagh, that criminality should that purpose be carried dagh, pressed the matter, but with- gentleman tenders his grateful comout. His monor's named and any adequate result. A third prince and concillors wainwright, that it was a case of assault; and he senting the prisoner to a fine of 857, intenced the prisoner to a fine of \$57, including costs, and a term of two months cluding costs, and a term of two months in the common gaol. And hereafter comes defeat of the Sandfield Macdonald strict account for this outrage on the most poignant point of his honors remarks. The Judge, in delivering the sentence, expressed his reluctance in havsentence, expressed his reluctance in havso respectable in appearance as the one was under consideration. It must instance, to the supposed modera- wife.—Carried. before him, and who had so much testi- have proved a knotty question, for tion of his views on public questions. mony to his prior good character—sixty of the people of Orillia having testified to his good name. The prisoner was a native of Scotland, he was told. There they carried no deally weapons. It was customary in the States to do so. It was constructed to to the state to do it, and the state of the people of Orillia having testified to the Ontario Government, respecting the known nobody who was careful to known nobody who was careful to for the purpose of presenting a petition diminution of drinking. To illustrate the known nobody who was careful to for the purpose of presenting a petition diminution of drinking. ### LOCAL MATTERS.

JAMES TUDBOPE, of the Little Giant Hardware Store, is agent for Stock's Ex-

use. Beware of imitations. J. TUDHOPE, of the "Little Giant" has received a second consignment of those excellent Sugar kettles. Call early for one, for they are selling like hot cakes.

FI were a Canary-bird and wished a new cage, I would send my mistress to J. Tudhope's for a pretty little one; he has such beauties, and so many of them, too. CONVERSAZIONE .- It will be seen by advertisement in this paper that and conversazione will be held in the Husic Hall, on the evening of Tuesday, 15th

POSTFONED. - In consequence of no hall being available, the proposed excursion of the Sons of Temperance to Marchmount this evening was of necessity postpone

Snowed UP .- No train has arrived per Midland Railway since Monday. It is expected to-morrow, but as the snow con-

tinues to fall, the prespects of an arrival are getting less. Snow has fallen every day during the

past week, and there appears no immediate prospect of a change. We got April weather last month, and have now gone back to February.

PRIMITIVE METHODIST CHURCH.-Next Sabbath evening the Rev. Joshua Dyke will preach from the following subject: "Our adversary the Devil, and how we are to resist him."

THE Globe-Dodge controversy still goes on. In his defence Mr. Dodge makes. some damaging admissions, which indicate that his skirts are not entirely clean. We

have not space for comments this week. INSTALLATION, -The officers of Orillia Division of the Sons of Temperance will be publicly installed next Tuesday evening. Members are requested to attend at seven o'clock. The public will be admit-

ted at eight. A FRATERNAL VISIT.—The members of

storehouse at the junction of the two rail-

Sunday afternoons or evenings at a bawdy house in the vicinity of the Railway Junetion. It is stated that there is another of these dens near the outskirts of the town. Our authorities should not allow these social pests to become established in this.

Y. M. C. A .- On Monday evening the entertainment consisted of an address by Mr. Charles Davis, who related an instance of the rescue and subsequent conversion of a workingman addicted to drink, through the instrumentality of a total abstinence Society; and Mr. George Dunn read an essay, "Elijah," one of a series upon the Hebrew Heroes, by the Bishop, of Oxford. The President, Mr. Wm. H.

Leef, occupied the chair. WE think James Tudhope's store might. enter an action against him for libel forpersisting in calling it the "LittleGiant. It is but a few weeks ago since it sprung into existence, and in that time it has attained most extraordinary dimensions. Although its body is confined within four brick walls, its name and fame are extending all over the country, searching for more. customers, who express their surprise at

the low price of his hardware. SAD ACCIDENT. -On Saturday the train LOOK OUT FOR A TREAT. - We understand | carrying water, and seeing the train ap-
