the (Ecumenical Council. THE P. O. Savings' Bank returns of the Receiver-General for March shows that during the month the deposits were \$146,-827 31; and withdrawals \$70,518 79, leaving a balance on hand of \$1,357,213 33.

Four hundred emigrants reached Toronto on Saturday night. About one hundred remain in that city and about one hundred and fifty will remain in Canada in addition. The remainder proceeded to the Westerns two columns, published at the town of St States-they being Germans.

Ar the Fenian Congress at Chicago the Pope's bull was warmly discussed. As far as can be learned the sentiments were hostile to clerical interference in political matters or matters pertaining to the Irish nation. The question of making the organization a secret one was also debated and decided, it is understood, in the negative.

THE nomination for Frontenac took place on Saturday, at Kingston. Five gentlemen were proposed, but three of them retired in favour of Mr. Carwright, who, with Mr. G. A. Kirkpatrick, nephew of the deceased a supporter of the present Government, and head for the centre piece. On either side member, disputes the field. The latter is his opponent of course the nominee of Opposition. Mr. Kirkpatrick will probably be

On Wednesday, last week, Alfred H. Scott, Riel's delegate, was arrested on a warrant issued by Mr. McNabb, Toronto Police Magistrate, on the affidavit of Mr. Hugh Scott, brother of Thomas Scott, murdered at Fort Garry, charging Alfred Scott and Father Richot with being accessories to the murder. Father Richot surrendered himself on Thursday, and on Friday both of the accused were released under a writ ing that the warrant should be issued either where the murder was committed, or at the | by a neighboring town." place the accused were residing.
