

MURDER IN MARI

We learn that a contractor named Gunn shot John Healey, of Maria, with a revolver, last night, somewhere near Atherley, killing him instantly. Gunn is said to have escaped. We cannot obtain particulars in time for this issue.

A more enterprising than scrupulous grocer of Yorkville, recently attempted to remove his goods in the still hour of midnight, but was circumvented by the too watchful vigilance of a creditor, he being caught in the act. This followed a futile appeal to his creditors for a compromise, at the rate of 20c in the dollar. He is now in insolvency.
