House hunting is the order of the day. and that's about all there is in it. There are no anoccapied houses. THE Warder reports two forgeries in

the Grand Division of the Sons of Temperance for this Province. Ir will soon be time to pl nt shade trees. Do not neglect to set a fine row of young

maple in front of your lot. It will add many dollars to the value of your property. THE next number of THE EXPOSITOR will contain the opening chapter of a tale entitled "The Black Watch," a tale of the second Stuart rising. Everyone should read this charming story.

GLUE of excellent quality can be obtained from even the sorriest cur that sneaks through the streets. Glorious prospect: Let us start a glue factory in Orillia, and ntilize the prowling pups. THE WAY THE MONEY GOES .- Some

idea of the enormous expenses of Railway Companies may be formed from the fol-I wing item : The Lancashire & Yorkshire & London and North Western Railway Company employ forty-five thousand per- say, Beaverton, Orillia, &c., &c. sons, rather a large army of paid servants to keep going.

SUGAR TIME has arrived, and we would suggest to farmers and their wives that they take more pains than usual to make nice syrup for sale to the people of the towns this season, and that all housewives who have empty fruit-cans, or can buy a dozen, fill them with syrup, boiling hot. It will keep finely for use next summer, or later, and in the coming scarcity of fruit will be a fine relish for the household or for company. Maple syrup may be kept very well in jugs or bottles, if well corked and sealed when hot, until mid sammer, but not so well after that time. - Exchange

BARRIE MARKET .-- This market has not the best reputation in the world for honest buyers. It is only a few weeks since we were called upon to mention the frequent complaints of farmers in reference to short weights, and now a correspondent of the Gazette states that it is not unusual for the principal, after delivering, to make a deduction in the price at which the agent had purchased. Such conduct is in the highest degree dishonorable, and if our county town is not to lose trade by it, the authorities must take severe measures to protect the farmers from these species of robbery.

WESLEYAN .- Probationers and candidates for the Ministry of the Wesleyan Church on the Barrie District, are requested to meet for examination, in the Wesleyan Church, Barrie, on Wednesday, the 30th of April, at 9 o'clock a.m. The annual District Meeting of the Barrie District will be held (p. v.) in the Wesleyan Church, Barrie, commencing on Wednesday, the 14th of May, at 9 o'clock a m. The Stewards are requested to be present on Thursday, the 15th, at ten o'clock a. m., when the financial business will be zaken up. Brethren will please have their Missionary Lists completed, and come prepared to make full returns of all connectional funds .- Guardian.

KEEP YOUR MONEY AT HOME. - Such our townsmen as have a surplus of money Scarboro Junction 10-45 should loan it to some honest business man Toronto Arrive 11-10 who needs it, or else invest it in one of nome enterprises, in preference to other places. Let home enterprise be encouraged; and there is no better way to show that you have confidence in the honesty of your business community, than by placing in the hands of those who are striving to build up our town such surplus money as you do not need in your own business. It is a duty every man owes to his place of residence, to first contribute to the building up of his own town before making rich those who are foreign to the welfare of every place except their own.
