COUNTY TEMPLE. - The County Temple of Sime e, I, O. G. T., met in the Lodge room here on Thursday the 19th uit., at 2 o'clock, p. m., The County Chief, Mr. Sheriff Smith, occupied the chair. After opening in due form, the Worthy Chief made some appropriate and encouraging remarks concerning the progress of the temperance cause throughout the world, and particularly in Ontario. He said there was over 600 temples in operation in the province. He believed the county meetings would ultimately be productive of the greatest good, and hoped no effort would be left untried to make our temperance meetings more interesting. The temple then proceeded to receive reports from the subordinate temples throughout the county, of which there are 35. Most of them were reported to be in excellent work ing order. Many new temples have been erganized and older ones strengthened by the accession of members or influence and ability. Several resolutions were then adopted with a view to increased efficiency among the temperance organizations Ar rangements were made by the Collingwood temple for a boat ride in the evening, on the bay. The next session of the county temple will be held at Barrie in September. - Collingwood Bulktin.
