

MISCELLANEOUS.

METHOD is the hinge of business. DILIGENCE is the mother of good luck.

EDUCATION, health, honesty of purpose, and industrious habits are passports to success.

It would be thought a hard government that should tax its people one-tenth part of their time to be employed in its service, but idleness taxes many of us much more.

Be not induced to buy what you do not need, because it is cheap, or because credit is offered.

The August number of Wood's Household Magazine brings with it a ray of sunshine which reaches clear to the heart.

EXTRAVAGANT habits formed in early life are difficult to correct. It is therefore important for youth to exercise great watchfulness.

It would be as proper to speak of a wingless bird flying as of a prayerless Christian rising for heaven.

MORE people are ruined by imitating others than in any other way.

A DROWNING man plucked out of the jaws of death is happier with three feet of bare rock than others with thousands of acres.

THE flag staff of the central tower of the Parliament Buildings, Ottawa, is ready to be raised to its place.

THE trouble produced by want of punctuality in pecuniary matters cannot be estimated.

THE Conservative organ in North Ontario, The Ontario Times, has been removed from Cannington to Sunderland.

A MAN cannot be successful without self-reliance and tenacity of purpose.

ALL Parties indebted to the above Estate, are requested to pay their accounts within fourteen days from this date.

THE undersigned, Augustus James Alport, of the Village of Orillia, having been appointed Assignee in this matter.

THE Sitter says that whilst the Parry Sound Lumber Company's men were gathering up saw-logs of Moose Point lately, they picked up a log.

ONE may be industrious, have decision of character, be magnanimous, have charity of sentiment, yet if he lacks integrity, all will be in vain.

EMPLOY thy time well, if thou meanest to have leisure.

CULTIVATE magnanimity of spirit. The mind should be elevated above jealousy, envy, or revenge.

A GREAT WORKER.—The energy and activity of John Wesley was wonderful.

It made the man, and newly his whole value in history. Beginning every day at 4 o'clock in the morning.

More people are ruined by imitating others than in any other way.
