Rev. Mr. Armstrong, who accompanied Dr. Taylor on his trip to the Nor'-West, has returned. He returned by the Dawson route from Winnings to Fort William. He is but one class of men avenue from this column to accompanied to a figure seen going and little Ned Anthony put de miners, sailors, rumsellers, and harlots, and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going mustard on his har for goose grease; I put sail in my tea for sugar, and it made me down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important pointing to a figure seen going down the street; and the storekeeper important point route from Winnipeg to Fort William. He speaks in the highest terms of this route, and assures us that he prefers it to the other. This testimony is valuable, and is

The following are the opinions of three comment ladies on the subject of marriage : Marriage is to a woman a state of slavery

but the bonds are silken and easily worn. Marriage is the sanctifier of love—an institution which acknowledges the right of woman to be protected, and the duty of man to protect her. The offices of wife and mother are not those of slaves. What soothe the turpid torrent of man's pasis to woman that that work is given tired sparit, may lend hope to the ing, may whisper love to the lonely, while and grow savage. Who would exchange any other to prefer a single life. It is not I would persuade you that you may be the cause of happiness to others, and of course happy yourself-for when was the fountain dry when the stream continued to flow. If a single life, according to the worst views of it, is a moral desert, the faithful in this passage through it are refreshed

has a remarkable effect upon the morals and prosperity of the people, in the diminution and crime and pauperism, and in the growth of civilization. We have vastly Good Templarism less taxes than otherwise, for two reasons From a recent report to the Casket by 1. Less misspent time, and 2. Less money worse than squandered and thrown away, because it would produce a positive injury. Upon twenty-two years of active experience and observation, I unhesitatingly agser to the Camp, performed service in the safety. During my stay around Orillia I that such a law as I am considering, cabin, and delivered an impressive address. held successful meetings at the following Maine Law," would not only be beneficial. The party from Peterborough was not so places, Orillia, Atherley, Rama, and Longbut vastly promote the peace, prosperity large, numbering only about 150. The service on Sunday morning was opened by the Indian choir singing a hymn which was the Indian choir singing a hymn which the Indian choir singing a hymn which was executed with great musical skill and taste; the voices, about 20, harmonising well, and the time being marked with singular precision. A base voice was specially noticeable, as was also the soprano of Miss McCue, the daughter of the chief. The Rev. Mr. 'Craig, the Wesleyan minister, then delivered a prayer, and after another hymn the Rev. Mr. Edmison preached a sermon, the subject of which was Faith, and which, though somewhat lengthy, was and which, though somewhat lengthy, was and which, though somewhat lengthy, was a large number of members from the three meighbouring Temples were present, who neighbouring Temples were present, who he is mear at hand when it will be enacted, and faithfully and fearlessly be enacted, and faithfully and fearlessly can be enacted, and faithfully and fearlessly be enacted, and faithfully and fearlessly that the meeting at Longford I took the boat at Orillia and started for Muskoka. After a pleasant sail of several hours we landed at a little village called Washago, near the head of navigation on Lake Couchiching, which forms the entrance to the Free Grant disand which, though somewhat lengthy, was forms the entrance to the Free Grant dislistened to with great attention by all pre- trict to Muskoka. From Washago I prosent. The greatest order and perfect de- ceeded north by stage to Morrison, where proposition, and defiantly challenge contracorum prevailed throughout the day. Un- I was received by a large number of fortunately the weather which had been brothers and sisters who were waiting my threatening for some time broke out after arrival. The meeting was one of the most dinner, and a heavy shower came down, interesting I have addressed for a long making the leafy grove a rather unpleasant time. At the close of the public meeting
