SOME CHARACTERISTICS OF THE YOUNG FRED MELLISH FIRES A BUL-LET INTO HIS BRAIN.

> Went From Brantford to Toronto on Tues day-\$450 Found in Bis Pockets-He Left a Note Saying He Was Tired of

An act of self-destruction, the circumstances of which are attended by considerable mystery, was perpetrated on Thursday afternoon in the east end

The victim was a young man named with them. On Wednesday he engaged a room at Mr. Daniel Cowle's house 49 Sumach street, paying a week's rent in advance. Thursday morning he went out about 10 o'clock, returning before noon and going direct to his room. This

was the last seen of him alive. About 7 o'clock in the evening one of the family had occasion to go to the room, and finding the door locked, with no response to repeated knocking, called Mr. Cowle. He also tried the door and finally burst it open, when he was horrified to see Mellish lying stretched right temple. The body was cold, in fact rigor mortis had set in and death had evidently occurred five or six hours

and Coroner Gregg notified. On examination of the body a letter was found in the dead man's handwritfriends had deceived him; he was tired and disgusted with life and determined Queen street east, and the Coroner issued a warrant for an inquest, but it manner of the young man's death.

The brothers were notified of the tragedy as soon as it was discovered and they came down at once, but they
