"I thank Dr. Pierce for the kind advice he gave when I wrote to him."

"I am thankful to the friend who first recommended your medicine," writes Mrs. Annie M. Brook, of Smithfield, Fayette Co., Pa. "We have a twelve pound baby, three weeks old. I took three bottles of Favorite Prescription before baby came, and the time was only one hour and a half. Have had five children, and before this always had a severe time, lasting two or three days, and never was able to do any work for about two months afterward. Now I am doing all the work for four children. My friends say I look better now than ever before. We told one of my sisters to take 'Favorite Prescription,' which she did, and when her child was born the time of suffering was very short. She has better health now than since her marriage, some years ago. We cannot praise Dr. Pierce's medicine enough. I thank Dr. Pierce for the kind advice he gave when I wrote to him. Whenever I see other women suffering I tell them about your wonderful medicine."

The benefits resulting from a consultation by letter with Dr. Pierce are testified to by thousands of grateful women who have been made new women by his medical advice and fatherly counsel given absolutely without cost or fee. Sick and ailing women, especially those suffering from chronic diseases, are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and is treated confidentially. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Favorite Prescription is the best medicine for the cure of womanly ills. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It is the best preparative for maternity, giving the mother strength to give her child, and making the baby's advent practically painless.

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics. The Common Sense Medical Adviser, 1008 pages, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Lines written in memory of Mr. Frederick Veas, aged 66 years, who died at Franklin, on Dec. 26th, 1902.

A precious one from us is gone,
A voice we loved is stilled,
A place is vacant in our home,
Which never can be filled.

Our home is sad without thee
We feel thy absence there;
And Oh! what scrows pierce our hearts
To see thy vacant chair.

'Twas hard to see thee go,
But 'twas harder still to see
Thee suffer here below.

But how didst trust in Jesus
Who is a Friend so true,
And leaning on His mighty arm
Thy upward journey did pursue.

God orders all things for our good
And guards us night and day,
So we our wills to His must bend
And trust and watch and pray.

Far beyond it is world of changes,
Far beyond this world of care,
We shall meet our missing loved one
In our Father's mansion fair.

Yes, again we hope to meet thee
When the storms of life are o'er
We shall meet to live forever;
On the happy golden shore.

I desire to thank the Mirror and the four young ladies, who so generously assisted me in our entertainment, and by the advertising and the talent rendered, to make the entertainment a success, also my hearty thanks to all who patronized it.

RIPNAS

Owing to close confinement in business I suffered from a bad touch of indigestion, so much so as to cause me intense pain. My tongue was coated; had severe pains around my eyes and felt miserable. Through the persuasion of a friend I tried Ripnas Tablets, and after taking them for two days I obtained some relief. I kept on taking them, and can safely say they have cured me.

In Touch with the World

Covering the earth like a spider's web the cable winds its sinuous way under seas, over mountains and plains, across continents to every country and clime on the globe.

So when King Edward opens Parliament, or Emperor William leads the band, when the Mad Mullah breaks out, or a volcano in the East Indies does the same, when South Africa seethes in war or Venezuela defies the powers, when rain breaks the Australian drought or the plague breaks out in India, when the Empress of China suppresses the Boxers or Japan negotiates a loan,

the news is instantly flashed around the globe, across oceans and continents right into the Toronto Daily Star office. The Star's direct special cable service is better than any other paper's in Ontario.

And you get all this cable news along with your own local paper for \$2.20. Think of it—a single word sent to you personally might cost more than the price of the Star, with its hundreds of columns of cable news, for a whole year.

Subscribe direct to the Star or through the office of this paper. Both the Daily Star and this paper for \$2.20 for a year.
