TYPHOID GERMS. The microscope shows that in the blood of every person suffering from typhoid the little germs can be found as shown above. They are supposed to get into the water or milk we drink. The germs multiply so about one hundred trillion germs in twenty-four hours. That is why if they ever get into the water supply of a town they multiply so fast that nearly everybody who drinks the water comes down with the disease. There are exceptions, however, and they are the persons whose health is perfect, whose blood is pure, and liver body they are thrown off with the other poisons. Recent Chicago statistics show that one-eighth of all the deaths in the past two years in that city have resulted from pneumonia.

Neuralgic Headache Is Usually

Attended with blinding pain, but relief comes quickly when Nerviline is applied, for it is the strongest pain reliever in the world. "I consider Nerviline a most magical remedy for neuralgia. I am subject to violent attacks, writes Mrs. E. G. Harniss of Baltimore, but never worry if Nerviline is in the house. The prompt relief that Nerviline brings makes it priceless to me. A few applications never yet failed to kill the pain. I can also recommend Nerviline for stiffness in the joints and rheumatism." Try Nerviline yourself. Price 25c.

Pneumonia is Filling the Hospitals.

Every day we hear of someone being taken with pneumonia. The only preventive is to get strong and keep your body healthy. Take Ferrozene which makes the rich red kind of blood that nourishes and stimulates the entire system. "I was all run down and an apt subject for pneumonia writes A. B. Charlton of Burlington, when I tried Ferrozene. I didn't believe it was possible for Ferrozene to build me up so quickly. In a few days my appetite improved, color came into my cheeks and I felt stronger. I gained eight pounds and regained my old time vigor through using Ferrozene." Try Ferrozene, it assures health. Price 50c.

Fools Use Washes and Snuffs.

Thinking perhaps they will cure a Catarrh, but no one ever heard of a genuine cure following such senseless treatments. There is just one prompt and thorough cure for Catarrh and it is fragrant healing Catarrhzone which goes right to the root of the trouble. It destroys the germs, heals the inflamed membranes and cures any case no matter how obstinate or long standing. "I experimented for years with Catarrh remedies but found Catarrhzone the most rational and satisfactory" writes W. J. MacEachern of Waterville. "It cured me for all time." For a sure cure use only Catarrhzone. Complete outfit, \$1.00; trial size 25c.

The best advice we can give is to put the body into a perfectly sound, healthy condition. Be assured that you have rich, red blood and an active liver.

Many years ago Dr. E. W. Pierce, who is consulting surgeon to the Invalids' Hotel and Surgical Institute at Buffalo, N. Y., found certain herbs and roots which, when made into an alternative extract (without the use of alcohol), seemed to be the very best means of putting the stomach, blood and vital organs into proper condition. This seemed to him as close to nature's way of treating disease as it was possible to go. For over a third of a century Dr. Pierce's Golden Medical Discovery has had a wonderful sale and the cures resulting from its use are numbered by thousands. It is a tissue-builder, better than cod liver oil because it does not sicken the stomach, or offend the taste. It strengthens and renews the assimilative or digestive processes in the stomach and puts on healthy flesh when the weight of the invalid is reduced below the normal.

Accept no substitute for "Golden Medical Discovery." Nothing else is "just as good." Dr. Pierce's Pellets cure biliousness.
