LOCAL LAOONIC

Mr. George Sanderson, of Millbrook, was in town Tuesday.

Mr. J. Potvin, of Peterborough, was a visitor to Omeme last week.

Rev. E. Roberts will preach missionary sermons at Fenelon Falls on Sunday next.

Messrs. Alex. Evans, Percy Thornton and Miss Esma Thornton spent a few days of last week at the home of Mr. E. Thornton, Matvers.

Miss Grace Cornell returned home last week after spending a very pleasant time visiting Lindsay friends.

Mr. J. D. Thornton, Insurance and Piano Agent, was in Peterboro Saturday.

Mr. W. L. Taylor, dealer in Pianos and Organs, Sewing Machines, &c., of Peterborough, was in town Friday and placed another handsome Kamm Piano. These celebrated pianos are having a big demand.

Dr. F. W. Ivory D. D. S., L. D. S., Graduate of Philadelphia and Royal College Toronto, will be prepared to receive patients for all kinds of Dental work on and after March 1st next at his rooms over the Bank of Commerce, Hunter of Peterboro.

The Rev. Robert H. Leitch, of Fenelon Falls, will preach in the Methodist Church next Sabbath morning and evening, and at Lebanon in the afternoon. Mr. Leitch is a good preacher, and all will be made welcome who attend these services.

An enjoyable and largely attended concert was held at the Grange hall, Smith, last week, under the auspices of Gordon Lodge, No. 185, I. O. G. T. Mr. P. G. Micht acted as chairman. The entertainment was furnished by local talent and by friends from Bridgenorth and Selwyn.

Two Peterboro liquor dealers were charged last week with supplying intoxicants to youths under the legal age. The merchant pleaded guilty, but the hotelkeeper fought the case. The magistrate was firm, imposing a fine of \$50 and \$20 costs on each. The three boys were all well to go.—Post.

Mr. John Brown, of Cunningham's Corners came near losing his \$150 horse on Saturday. He took the east road in going to Lindsay, and undertook to cross the river at the foot of Russell-st. on the ice. When about half-way across it gave way, letting the horse down. The Messrs. Logie happened to be close by and with the aid of others succeeded in saving the animal after half-an-hour's hard work.

The Canadian Order Forester's entertainment held in the Bradburn Hall, Omeme, on Tuesday evening, was a grand success. The chair was taken at eight o'clock by Bro. M. J. Wilson, C. R., who after giving a short address, called on Messrs. Wm. Adams and Alex. Evans for a duet, which was well received and loudly encored. The Omeme Orchestra, under the direction of Prof. Sherwood, rendered several excellent selections, which were highly appreciated by the large audience. Mr. Ira Featon, of Toronto, exhibited a large number of interesting views by the Edison Vitascopie. The Beaching and Burning of the "Vizeya," Destroying and Sinking a Spanish Torpedo Boat, Bombardment of Carbanas, and Battle of San Juan Hill and the Express Train running 70 miles an hour were especially good. Several selections were well rendered by the graphophone. Miss Flossie McPherson and Miss Esma Thornton were the very efficient accompanists. Court Omeme wishes to thank all who assisted in making their entertainment such a grand success.

There Never Was a Time

when there was such DECEPTION in Woollen Goods.

Take Blankets for Instance.

They are white as snow, thick and soft, and to all appearance, a first-class article. But how disgusted the buyer, when on wash day the blankets have turned yellow and sticky. All store blankets which have been bleached are bound to smell of sulphur, and will be a yellow shade when washed. The borders also run through and stain the blankets. The consumers' only protection is to deal direct with the Manufacturer, who will warrant the goods, then, if anything goes wrong he may have his money returned. We know how our goods are made, the material contained and will refund money if not as represented.
