The burnished plumage of the peacock owes its brilliancy and splendor to a healthful condition. Let the bird be sickly, and the plumage droops and grows dull. There is no exception in nature to the rule that beauty depends on health.

Women who see their beauty waning rarely associate the external change with failure of the womanly health. They do not understand the close relation of the general physical health to the health of the delicate womanly organism, until after being cured of womanly diseases by the use of Dr. Pierce's Favorite Prescription they find the color returning to the cheek and the flesh to the body.

"Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.
"Several years ago I was very poorly," writes Mrs. May Kelley, of Sylvania, Kansas. "I could hardly walk across the floor, and at times suffered severely. I took two bottles of Dr. Pierce's Favorite Prescription and got well and and was the picture of health. Your medicine has cured me. Almost everybody I meet says 'You look so much better than you have for several years; you look well now.'"

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Pleasant Pellets are a lady's laxative. Nothing equals them for gentleness and thoroughness.

RIPANS

The simplest remedy for indigestion, constipation, biliousness and the many ailments arising from a disordered stomach, liver or bowels is Ripans Tablets. They have accomplished wonders, and their timely aid removes the necessity of calling a physician for the many little ills that beset mankind. They go straight to the seat of the trouble, relieve the distress, cleanse and cure the affected parts, and give the system a general toning up.

The five-cent packet is enough for an ordinary occasion. The family bottle, sixty cents contains a supply for a year.
