A Winning Fight Against Consumption

LARGE DECREASE IN DEATH-RATE SINCE THE OPENING MUSKOKA HOMES FOR CONSUMPTIVES.

1896
"The Consumptive Under Sentence of Death."
Read the following extract from "Globe" editorial, reflecting public opinion in 1896, when it was first proposed to establish a Consumptive Sanatorium in Muskoka:

1904.—CONSUMPTION FAST BEING STAMPED OUT!
Government Reports Show Decrease of 40 per cent. in 3 years.

Deaths in Ontario Reduced During the Past Three Years from 2,551 to 2,072, notwithstanding an increasing population.

IN TEN YEARS, WHY SHOULD THERE BE 300 DEATHS IF NECESSARY MONEY AND HELP BE GIVEN?

Following diagram, giving figures from the Report of the Secretary of the Provincial Board of Health, tells a wonderful story of a decreasing death-rate from consumption since the beginning of our crusade. Note that in the first four years there has been a gradual increase in the death-rate:

Year	Deaths from Consumption in Ontario	Per Cent.	National Sanitarium Association	Muskoka Cottage Sanatorium
1896	3154	1897	116	116
1897	3291	1898	116	116
1898	3405	1899	147	147
1899	3484	1900	189	189
1900	3243	1901	186	186
1901	2694	1902	321	321
1902	2072	1903	321	321

—\$100,000 has been expended by the National Sanitarium Association in 8 years to maintain and extend its work in Muskoka.

—1,500 Patients have been cared for in these Homes.

—Since the Muskoka Free Hospital for Consumptives was opened in 1902, not a single patient has ever been refused admission because of his or her poverty.

—Much more could be done if only the means were forthcoming. Will you help?

Contributions may be sent to Sir Wm. R. Morrison, Kt., 4 Lampport Ave., Toronto, or W. J. Gage, Esq., 54 Front St. West, Toronto.

PERROZONE

is the One Sure Heart Tonic That Always Cures.

An attack is liable to come at any time from over exertion, excitement or emotion.

If blood rushes to your head and palpitation and shortness of breath are noticeable, there's great cause for alarm.

A. F. Beattie, of the Allen Hotel, Bay City, Mich., was cured of heart disease by Perrozone. See if your case is similar to his:

The Symptoms: Nervousness, Palpitation, Trembling, Dizziness, Shaking Feeling, Heart Pains, Short Breath, Weakness.

Mr. Beattie says: "I was weak and miserable. I was subject to heart palpitation and dizziness. As I grew weaker I began to have trembling and sinking sensations. Perrozone strengthened my heart, gave vigor to my nerves, soon made me well. It's a great restorative."

The one medicine for the people with weak heart and poor nerves is Perrozone, 50c a box or six for \$2.50, at all dealers in medicine, or Polson & Co., Hartford, Conn., U.S.A., and Kingston, Ont.

At the home of the bride's father, Mr. Henry Earl, Millbrook, a quiet but pretty wedding took place on Wednesday, March 1st, when Miss Mary Earl and Mr. George Elgar, a prosperous young farmer of Cavan, were united in marriage, the Rev. G. K. Clare officiating. The happy couple left on the evening train for Denver, Colo., followed by hearty good wishes of a host of friends. The bride was the recipient of many pretty presents.

WIDOW'S PATHETIC LETTER.

One of Hundreds of Letters Received at Muskoka Free Hospital for Consumptives—Pleads for the Life of an Only Son.

The following is one of hundreds of letters received at the office of the National Sanitarium Association:—

COOKSHIRE, QUE., June 3rd, 1904.

DEAR SIR,—I hope you will pardon my writing to you. I am Charles Brown's poor mother, that is heart-broken about my one and only son, and longing for your kind letter to arrive to say you can find a place for him in the Muskoka Free Hospital for Consumptives. He is the only son I have and I am depending on him for support, and he has a wife and one baby depending on him also for their support.

He is the Charles Brown that Judge Britton's committee spoke to you about. Dear Sir, for God's sake hasten the time for him to get there, as the longer it runs on him the harder it will be for him to get well and back to his former health and strength again.

Man's Daughters.

COOKSHIRE, QUE., June 6th, 1904.

DEAR SIR,—I received your kind and most welcome letter to-day. Very glad I was to hear the good news that my dear son can go to the Hospital for Consumptives. Thank God for the good news. He will leave Montreal on Monday, the 13th, or Tuesday, 14th, at the latest. It has given him new life to hear the glad news that you have sent to me, his mother.

It is to meet just such cases as this that the Free Hospital for Consumptives has been built. Less than three years opened, nearly 400 patients have been cured, and not a single patient has ever been refused admission because of his or her poverty.

Sir Wm. R. Meredith, Kt., Chief Justice, 4 Lampport Avenue, Toronto, or W. J. Gage, Esq., 54 Front Street, will receive and acknowledge any subscriptions our readers will send.

The Literary Society at Centreville had an entertainment last Monday night, at which there was quite an interesting debate between Peterboro and Centreville, the former having the affirmative, and the latter the negative.

subject, "Resolved that a person's success in life depends more upon their environment than upon their ability." Messrs Wm Campbell and P. Kerr, for Peterboro, and Messrs J. A. Porter and Jas Campbell for Centreville. It was decided in favor of the negative, who undoubtedly had the best side of the subject, for ability, coupled with energy, rises paramount, in spite of the most unfavorable environments. In addition to the debate, the following interesting program was rendered:

Solo, Miss Mina Bateson. Mouth Organ Solo, Master George Berry. Organ Instrumental, Miss Maggie Berry.

Fares, "Her Busy Day," by members of the Society. Miss Bateson's singing was heartily applauded. Her voice is rich and her enunciation clear. The Centreville people are always pleased when Miss Bateson's name appears on their programs.

Master Geo. and Miss Maggie Berry acquitted themselves well in their instrumentals.

"Her Busy Day," brought forth the applause of the audience, and showed the splendid ability of the Centreville Literary Society.

A dainty supper was served to those from a distance, a fitting climax to one of the most pleasant events ever held at Centreville.

The Society netted about \$30.

Mr. Rupe Winslow was in Omence the past week on business.

Mr. E. W. Lamprey spent Sunday with his Port Hope friends.

Millbrook Cavan and Omence Councils meet next Monday.

We have been handed a portion of a copy of the "West Durham News," dated at Bowmanville, Sept. 8, 1876. It was found in the house occupied by Coun J. Deyell, and addressed to W. Vance, P.M. It is somewhat delapidated, but there is enough left to see some of the peculiar methods of advertising at that time.

Many interesting items are held over on account of a rush of job work.

Easter begins this year on the 8th of March and ends on the 23rd of April. Easter will be on the 23rd of April. The last possible date that Easter may occur is April 25th, and it is only at long periods that Easter falls as late as that. In 1886 Easter came on April 27th, and it will not again fall on that date until 1942. Easter has not fallen upon April 23rd since 1848, and after this year will not fall on that date until 1916.

TEAM FROZEN STIFF. They Wandered Away on Balsam Lake and Perished.

As Mr. Wm. McNeish, of Long Pt., Balsam Lake, was driving home during a recent storm, he got into the sleigh with a neighbor who was accompanying him, allowing his own team to follow. This they evidently did not do, as on looking for them, some time later, they were nowhere to be seen, and could not be found. A week later they were found on Balsam Lake, frozen stiff, about two miles from home. Mr. McNeish is a nephew of Mr. Alex. Strain.
