WEDDING AT BAILLEBORO.

An event of more than usual interest  
and which created quite an excitement  
in Bailleboro and vicinity, took place  
at the residence of Mr. and Mrs. James  
Byers, on the afternoon of March 8th.  
"Maple Farm" the home of the Bride,  
was the centre to which all eyes turned  
and which attracted such a gather  
ing of relatives and friends as tested  
the capacity of the hospitable dwelling  
where the contracting parties, Mr.  
Robert Frederick Wood, and Miss  
Gertrude Clemina Fair, were united in  
Matrimonial bonds, "Till death us do  
part." The weather was bright and  
the air balmy, and barring the pitch  
hops, reminders to all, the Happy  
couple included, of the Ups and Downs  
of life, the sleighing was excellent and  
altogether the day was most genial for  
the usually uncongenial month of  
March. At the hour appointed the  
groom took up his position beneath a  
Bower of Evergreens and white ribbon,  
supported by his brother, Mr. R. J.  
Wood. There he was soon joined by  
the bride elect, who leaning on the arm  
of her father, Mr. James Byers, and at  
tired in cream Cashmere with Clifton  
trimmings wearing a wreath of Orange  
blossoms and Tulle Veil, carrying a  
shower Bouquet of white Roses, and  
preceded by her Bridesmaid, Miss  
Olive Fisher, who was dressed in white  
Lawn with Insertion and Lace trim  
mings, and carried a shower Bouquet  
of White Carnations, advanced to the  
strains of the Wedding March, played  
by Mrs. Wm. G. Allen.

The marriage ceremony was perform  
ed by the Rev. W. C. Allen; the choir  
of Christ Church, Bailleboro, of which  
the Bride was a member, singing the  
Hymn, "The Voice that wretched o'er  
Eden." The Guests were about 60 in  
number and included the Octogenarian  
Grandfathers of Groom and Bride re  
spectively, Mr. Richard Dawson and  
Mr. James Fair, whom all were pleased  
to see looking so hale and hearty. The  
presents were numerous and handsome  
included \$50.00 in gold, the gift  
of the Bride's Grandfather, Mr.  
James Fair, and a gold watch and chain  
the Groom's gift to the Bride. The  
Room where the Dejeuner was served  
was tastefully decorated with ever  
greens and the vian's provided were  
of the best and most artistically ar  
ranged. "Brief after Dinner" speech  
es were made by the Rev. Wm. C. Allen,  
Dr. Montgomery, Mr. R. J. Wood,  
Groomsman and Dr. J. W. Fisher,  
uncle of the Bride. Amongst the guests  
from a distance were noticed Mr. and  
Mrs. John McNeil and daughters,  
Cavan, and Mr. and Mrs. H. Nesbit,  
Peterboro. The Happy Couple left  
on the G.T.R. 9.40 train, amidst a shower  
of rice, and with the best wishes of  
the whole community for a trip to Toronto,  
London, and other places.

WHAT GAVE OF A LETTER.

My Dear Aunt Kate:  
I must tell you the good news. Right  
after receiving your letter, the day before  
New Year's I started in with new resolu  
tions on the first of the year. I wrote  
Dr. R. V. Pierce, at Buffalo, N. Y., as you  
requested me to do. I gave him all my  
symptoms, which were that I was tired—  
so tired—all the time and did not care to  
go anywhere, depressed and sad, and all  
ambition gone, backache and a dragged-out  
feeling, had taken no sleep, limbs feeling sore  
and aching. I followed the doctor's advice,  
which he went to considerable pains to  
make plain to me—to rest every day—a nap  
after lunch—complete relaxation—cultivate  
a repose of mind, try not to worry, get as  
much outdoor air as possible, and prac  
tise long, deep breathing, expanding the  
lungs. Then for a uterine tonic, Dr. Pierce's  
Favorite Prescription, coupled with a wash  
he told me of. I must say that after follow  
ing his advice for four months I feel per  
fectly cured and like a new woman.

Yours affectionately, Jewell.  
Letters like the above are not unusual.  
Mrs. Kooman, of 532 Grant Ave., Schenectady,  
N. Y., says: "I continued with the medicine  
until I had taken five bottles, also using some  
of the 'Pleasant Pellets,' and I was cured. I al  
ways recommend Dr. Pierce's medicines to my  
friends when they are not well."  
"My daughter is in quite good health, thanks  
to Dr. Pierce's medicines. My eyes are that  
all who are afflicted will try them and see what  
good can be done for the sick," writes Mrs.  
Elizabeth McComb, of Rochester, Ind.

and he solicits a continuance of  
your esteemed patronage. He  
guarantees entire satisfaction.

Firemen's meeting postponed

Mr. John Krieger has returned from  
Campbellford.

Mrs. Ferer Krieger and son  
Mr. Fred Krieger, of Alameda,  
N. W. T., after a pleasant visit  
with Mr. and Mrs. Wm. Pendry,  
left on Tuesday to visit with Mr.  
and Mrs. John Adams. They in  
tended visiting their old friends  
at Chatham, before leaving via Chi  
cago for their home.

The Lindsay Post says that Mr. C.  
Hartley, of East Opepe, has a clock that  
can be traced back for 275 years, and  
was then supposed to be an old one,  
after a stoppage of 30 years, Mr. Web  
ster, of Lindsay, fixed it up, and it is  
now on exhibition in his shop and is  
keeping perfect time. There is about  
fifteen pounds of iron in each of its  
weights.

Medicines Loaded  
With Alcohol.

Think of it! The Danger You  
Run—Drink Habit is Easily  
Acquired, but Hard to Cure.  
Careful analysis shows that many so called  
tonics contain little else but whiskey  
—the rankest, poorest kind of whiskey.  
You may unconsciously be using an  
alcoholic liquid remedy. Some mem  
ber of your family may be doing  
so. Your duty is plain; stop it at  
once.  
The test of a tonic is the permanency  
of its cure. To become strong, you must  
build up the blood—alcohol weakens it.  
You must increase your nerve force—  
alcohol steadily devours it.  
Give up the liquid tonic before you  
become its slave. The true medicine  
for the run-down, depressed and nerve  
less is Ferrozone. It is nothing but  
concentrated cure in tablet form. It  
stimulates the appetite, aids diges  
tion, fills the blood with iron, builds  
up in nature's way. Never known to  
fail.  
Whether weak from worry, over  
work, thin blood or ill-nourished  
nerves, Ferrozone will quickly make  
you well. It is safe and harmless,  
undoubtedly the best tonic and re  
building medicine made. We recom  
mend you to use Ferrozone if in poor  
health.  
Ferrozone, known as the great food  
tonic, costs 50c. per box, or six for  
\$2.50, at all dealers, or by mail from  
N. C. Polson & Co., Kingston, Ont., and  
Hartford, Conn., U.S.A.

The Man Who Works Hard.  
Perseverance and will-power he must  
have, but whether he has strength and  
vigor is another consideration. Hard  
working men usually have irritable  
nerves and should fortify their system  
with a course of Ferrozone, a tonic  
that rebuilds and revitalizes, beyond  
all telling. It's just wonderful the  
strength that Ferrozone imparts to  
broken-down men. It forms new blood,  
supplies the system with abundant  
nourishment, and where formerly  
there was tiredness and lassitude Fer  
rozone establishes a reserve of energy  
and vim. Try Ferrozone,—price 50c.  
per box.

The Port Hope Guide contains the  
following with reference to a fake  
scheme which may possibly be at  
tempted here.—We are informed by  
a number of citizens that they have  
been "taken in" by a couple of picture  
agents lately. It is alleged by them  
that some time ago the agents called at  
the house and made it very clear that  
they were enlarging pictures free of  
charge simply as a matter of advertis  
ing. A large number of ladies jumped  
at the opportunity and a few days  
later another pair called with the  
proof and a sample of frames which  
he wished to dispose of. Of course the  
picture was no use without the frame  
and these were offered at reduced prices  
at \$6 to \$4. To bind the bargain half  
the price of the frame had to be paid  
down. A few days later, agent No. 1  
returned with the picture in the frame  
and, according to the stories of the  
stories of the purchasers, the frames  
were very different from the samples  
offered. One lady refused to accept  
the picture and so was obliged to lose  
her money. A gentleman informed us  
this morning that he felt sure he could  
purchase a frame from a local dealer  
for 10c., equally as good as the one  
offered him by the agent for \$4.00. If  
such should be the case, citizens  
should use more precautions before  
entering into such deals, and in a  
short time it would do away with such  
work.

To prove what Dr. Leonard's Anti  
Pill will do—Your name and ad

thousands already.

When Dr. Leonard's, of Lincoln,  
Neb., gave Anti-Pill to the world he had  
unbounded faith in the treatment, but  
he did not foresee the world-wide and  
wonderful results it is now achieving  
in the cure of disease.  
Here is the story of another Anti  
Pill victory:  
"For many months I have been  
troubled with dyspepsia, dizziness in  
my head, cold chills, and suffered most  
of the time from constipation, and was  
unable to do my housework. I tried  
every kind of pill and medicine that  
either the doctors or myself could think  
of, and finally tried Anti-Pill. This  
treatment has practically made a new  
woman of me. I am able to do all my  
own work. The dizziness has all gone,  
my stomach feels much better, and I  
am no longer troubled with constipation.  
I cannot praise Anti-Pill too  
highly."—Mrs. Thes Tabb, 287 Emer
