THREE ARRESTS MADE.

The Ontario Police Nab Three Men Wh Are Said to Be the Men Who Committed the Cutrage.

Niagara Falls, Ont., April 23. -The Ontario police were notified at 7.15 p.m. on Saturday, by telegraph, of the blowing up of lock 24 on the new canal at Thorold that evening. Detective Mains, with his aides, immediately called on subs and covered men, as they were flying from the scene of their diabolical work. As ships and vicinity of the explosion on horseback and in rigs.

Mayor Wilson and County Constable Mains, with Officer Walsh and Con- of thurs. stable Clark of Thorold, started out towrds Stamford, and When reaching the west end of Bridge street in full uniform and accoutrements, where the first concession crossed it, under Sergt. Fuller, were put of they saw the two men coming down guard at the jail, parading up and

SOLDIERS ON DUTY.

Niagara Falls Militia Called Out, and Are New Guarding the Prisoners and

Niagara Falls, Ont., April 23 .-Without a doubt the Ontario Police here have made a very important arrest in the three men charged with blowing up the gates of lock 24 of the Welland Canal at Thorold last evening. Chief Young and Detective Mains have been working assiduously all day yesterday and with the American police and Buf-

earthed a gang of dynamiters operating from the Dolphin House at two men had revolvers. Hotel here and Buffalo, N.Y.

The leader is supposed to be

man registering as Dullman at Roslin. The three men, no doubt the purpose of taking observations for their dastardly work, drove out to Chippawa along the Welland River to the canal at Port Robinson on Wednesday last and again on Friday to Thorold, and left Saturday evening on the Niagara Central train at 6 p.m. for Thorold with two canvas telescope valises, which contained the dynamite cartridges and fuses attached. The police have witnesses who can identify the two men as Walsh and Nolan as the men who lowered the two valises in lock

Details of the Prisoners. The following is a detailed

corrected description of the prison-No. 1-John Walsh, 27 years age, 5 feet 9 inches, smooth, mecase the result brown hair, wears dark brown suit been most disastrous to of clothes, sack coat, laundried A large number of lights | white shirt, turn-down collar, black silk four-in-hand tie, brown stiff with the shock. It is not considered hat. He claims to be a bartender

No. 2.-John Nolin, 5 feet inches, 145 pounds, 35 years of age, brown hair, sandy moustache, ond finger of the right hand evidence of being crushed at the top, wears cheap suit of blue serge, sack coat, black stiff hat. Says he is machinist from Philadelphia

No. 3 .- Refuses to give any account ington, D.C., 5 feet 9 inches, stout build, 215 pounds, smooth full face, brown hair, quite grey, wears and turn-down collar and black tie. Hirelings of Capitalists.

The general impression is that the prisoners are not Boer sympathizers, telegraph line, is damaged. but only three of a gang of dynamiters operating probably as hirelings for capitalists or labor to cripple the Welland Canal to divert traffic of the Upper Lakes from

Several of the gang are still at and another attempt will canal. Chief Young and Detective Mains placed a strong guard of puties on the jail Saturday night the whole meagre description of the and yesterday where the prisoners were locked up.

From the Mail, Granby, Que. The reading public have evidence put before them almost every day of the healing powers of Dr. Willams Pink Pills. It is sometimes asked whether the cures are permanent, and in reply to this we would say that a cast which recently came to the attention of the Mail indicates that the results following the use of this medicine are as lasting as they are beneficial. Some years ago Mrs. Robert Webster, who is well known in Granby, passed through a very sarious illness in which her condition very nearly bordered upon collapse. Her blood appeared to have almost turned to water. She was very weak, her appetite fickle, and she suffered from severe headaches. Mrs. Webster had the benefit of excellent medical advice, but apparently without avail, as she seemed steadily growing worse. east of Winnipey. The first reports The least exertion would fatigue her, and finally she was for a time unable to do her housework, and was conand reports no lives lost, but the fined to bed. Her husband suggested the use of Dr. Williams' Pink Pills vastated. Over 100,000 ties be and purchased a few boxes. Music is furnished almost continuously, and so long as the musicians play the workmen, nearly all negroes, do not seem to feel the fa-Facts Fully Verified by Investiga. tigue, and their movemens are conformed as nearly as possible to the time of the music. As a general thing, the players get tired before the workmen do. To a white man the melody produced by these cheerers of labor would not be inspiring, for it is peculiarly plaintive. The Africans, however, find the music a great inspiration and work with cheerfulness and dispatch. The Philedelphian declares that the idea is one well worth considering, for it is well known that colored laborers and stevedores along the river front will work harder and faster if permitted to sing. As a matter of fact, singing among them is encouraged.
