HALF SICK

Generally the expression is, "I don't feel half well," though sometimes people say, "I feel half sick." But there is no such thing as being half sick. The man who feels half sick is all sick. As a rule, the cause of the weak, tired, half sick feeling is disease of the stomach, resulting in loss of nutrition and consequently physical weakness.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and strength by enabling the perfect digestion and assimilation of food. It makes half sick people all well.

"I suffered for four years with pain in my stomach so that at times I could not work nor eat," writes Mr. Frank Smith, of Granite, Chaffee Co., Colo. "I wrote to you about my sickness and was told to use your medicine which I did with good results. I only used four bottles of your 'Golden Medical Discovery' and must say that I am entirely cured and feel like a new man, and I can highly recommend your medicine to any sufferer."

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine.

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. The "Common Sense Medical Advice," one thousand and eight large pages, in paper covers, is sent free on receipt of 31 one-cent stamps, to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Program will be given by best foreign and local talent. Doors open at 7; curtain at 8 p. m. Admission, Adults, 25c., Children 15c. God Save the King. Jos. Fee, President; W. H. Graham, Secretary.

Woodmen's Meeting.

Every Woodman is requested to be present next Monday evening at their regular meeting, as business of importance is to be transacted. Don't fail to attend. It may be the last chance to meet with our Consul Commander for some time, as we understand R. V. M. Kannawin, B. D., has had an invitation from the Presbyterian congregation at Woodville, to become their Pastor.

Tired Out

"I was very poorly and could hardly get about the house. I was tired out all the time. Then I tried Ayer's Sarsaparilla, and it only took two bottles to make me feel perfectly well." - Mrs. N. S. Swinney, Princeton, Mo.

Tired when you go to bed, tired when you get up, tired all the time. Why? Your blood is impure, that's the reason. You are living on the border line of nerve exhaustion. Take Ayer's Sarsaparilla and be quickly cured. \$1.00 a bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows that it is the best and only family medicine. Follow his advice and we will be satisfied. J. C. Ayer Co., Lowell, Mass.

Mr. E. C. Williamson returned Monday from a delightful trip to St. Marys, London and Detroit.

Miss Ida Nugent returned on Tuesday from a pleasant visit with campbellford friends. She was accompanied by her cousin.

On Monday evening, a pleasant gathering was held at the Manse, under the auspices of the Woman's Foreign Missionary Society of the Presbyterian Church. The function took the form of a parlor social and not only the Presbyterian congregation but sister denominations were well represented.

An impromptu programme was rendered consisting of pianoforte music by Miss Mabel Rowan and others, violin selections by Mr. J. D. Thornton, vocal selections by a quartette of young ladies. A solo by Mrs. T. C. Ivory was sweetly rendered and well received, Miss A. Ivory acting as accompanist. Special mention should be made of the cornet playing of Master Jimmie Twinn, who shows marked ability in this line and pleased his listeners very much. Various games were indulged in and refreshments were served by the ladies of the Auxiliary. The proceeds of the entertainment amounted to ten dollars, which makes a neat addition to the missionary funds. The occasion seemed to be thoroughly enjoyed by all present and should serve to give new inspiration in the laudable work of the Society.

A grand concert will be given in Bradburn's Opera House, on Monday, April 13, under the auspices of the Omeme Public Library, and promises even to surpass that given a year ago in variety, beauty of costumes which artistic effect. Widespread interest has been created in this entertainment by the fact that the well known play the "Spinster's Convention" will be given by eighteen of our young ladies. The sketch of the work at this convention of these "old" maids in their fearful and wonderful costumes and their rejuvenation by Prof. Presto and his assistant, is certainly the most laughable thing ever attempted here in Omeme. Another promising feature on the program is the grand chorus of 25 voices in selections from Gounod's beautiful opera "Faust". For further particulars see posters and programs. We hope that every citizen will celebrate the holiday season by attending this entertainment not only to enjoy a pleasant evening but also to encourage such a worthy and deserving institution as the Public Library.

RIPANS

I have been taking Ripans Tablets for the dyspepsia, and they have helped me wonderfully. I do not know any particular way they effect me, but they seem to give vigor to the entire system. I had a sort of languid feeling, but since taking the Tablets I feel spirited and have not that melancholy way about me. I think they are good for a general build-up of the system, as they seem to act like a tonic.

The five-cent packet is enough for an ordinary occasion. The family bottle, sixty cents contains a supply for a year.
