The spring is the season when nature prepares for summer. All the trees and plants are filled with new sap to build and brace them up to withstand the coming hot season. Without new sap in the spring a plant would wither and die beneath the midsummer sun. It is the same with men and women. All paysicians are agreed that everyone needs a fresh supply of new blood in the spring. Without the new blood you would be as helpless in the summer

will surely Cure her. Some remedies are quack-Agnew's Her life is in danger from Pulmonary disease, which so inevitably follows Chronic Catarrh. This cure complete only costs 50 cts. a bottle. Relief instantly and the patient stays cured. It not only soothes; it heals. Colds and Acute Catarrh relieved, and head-

ache cured in ten minutes. George Lewis, of Hollenback & Baker, Shamokin, Pa., writes: "I have used a great many Catarrh remedies and have never had any relief until I used one box of Dr. Aguew's Catarrhal Powder, which cured me after I had been troubled with Catarrh for fifty years. I am 80 years old.

DR. AGNEW'S HEART CURE keeps the heart going, which keeps the nerves toned, which set stomath and liver and the whole system in order; and that's the right way and the only way to do it.

"FLOATING GARDENS."

Nature and man work together with uncommon accord in forming the celebrated "floating gardens" of the Lakes Chalco and Xochimilco, near the City of Mexico. An English naturalist, who recently visited them and found them a paradise, tells how they grow. Floating Tea the world produces, clumps of entangled peat, moss, rushes and grass are caught, comand is sold only in lead bined and anchored by stakes, or long saplings of willows and poplars, which are driven into the Black, Mixed and Green. muddy bottom, where they soon take root. Fertile mud is then ladled up and heaped on the float until a real island is formed, which is quickly transformed into a garden

A piece of Boer shell which for five weeks, after which I found which one is company?" myself with a low-class, no-account limb, in which I have no confidence. Upon my recovering this inferior and makeshift other leg, my horse shot me into a wire fence, which tore both arms into shreds, painted one thigh like an omelet and the other like a South African sunset, and left me an internal fracture which I must keep as a perpetual souvenir of what we are all beginring to speak of as the "bore war." Try to imagine the spirits of a man who finds himself thus gradually changing into an exhibit for a medical museum, and you begin to obtain a glimpse of the fatigue with which I now view this war. 17-03

A CHANCE FOR CLEVER PEOPLE

It should be easy for people who drink delicious Blue Ribbon Red Label Tea to say something that will induce their friends to try

\$545.00 in Cash Prizes

Twenty-five cash Prizes will be awarded in order of merit to those sending in the best advertisements for Blue Ribbon Red Label Tea.

\$200.00 First Prize Second Prize 100 00 Third Prize 40.00 4th to 13th Prizes, \$10.00 each 100.00 14th to 25th, \$5.00 each - -60.00

\$500.00

In addition, beginning with the week ending April 4, a special weekly prize of \$5.00 will be given to the one sending in the best advertisement during that week, making for the nine weeks \$45.00 in special prizes, or a grand total of thirty-four cash prizes, \$545-

CONDITIONS

1st. No professional ad. writer, nor anyone connected directly or indirectly with the Blue Ribbon Tea Company may compete. 2nd. Advertisements must not contain more than 50 words, and shorter ones are

3rd. One of the cards used in packing Blue Ribbon Red Label Tea-there are two in each package-must be enclosed with each batch of advertise-

4th. The competition closes June 1, 1903, and all competing advertisements must reach one of the following addresses on or before that date. Blue Ribbon Tea Co., Winnipeg, Man.

Blue Ribbon Tea Co., Toronto, Ont. Blue Ribbon Tea Co., Vancouver, B.C. 5th. No person shall be awarded more than one of the main prizes, but may also take one or more weekly prizes.

6th. In case of a tie, decision will be based on all the advertisements submitted by the competitors in question. Mr. H. M. E. Evans, of the Winnipeg Telegram, has kindly consented to judge the advertisements and award prizes.

All advertisements that fail to win a prize, but which are good enough to be accepted for publication will be paid for at the rate of \$1.00 each.

Unless expressly requested to the contrary, we will consider ourselves at liberty to publish the names of prize winners.

A good advertisement should be truthful and contain an idea brightly and forcibly expressed. A bona fide signed letter with address and date from one who has tested the tea, is a good form. An advertisement for an article of food should not associate with it, even by contrast, any unpleasant idea. The best advertisement is the one that will induce the most people to try the article advertised.

Seck your Inspiration in a Cup of Blue Ribbon Red Label Tea and the Money is yours.
