What does our Council intend doing about the band instruments? Is no effort or inducement on their part going to be made to re-organize the citizens' band? If not, the instruments should be called in and turned into cash, and used for the town's interests in other ways. However, we think the members of the band should be encouraged to re-organize. We feel confident that a very large majority of the citizens would back the Council in making a liberal grant to the band. Let a special meeting of the Council be called for said purpose.

**Lame for Two Years**

It is not necessary for a man to meet with an accident to become lame or otherwise physically impaired. Friends of Mr. Samuel Donaldson, Pittsburg, Postmaster at Duferin, Ont., postoffice, have wondered for some time what could be the matter with Mr. S. Donaldson, him, and when told that his crippled condition was due to rheumatism, could hardly believe it. But such was the case, however. Mr. Donaldson was lame with rheumatism for two years, and during that time suffered internal pain and experienced the greatest difficulty in getting out of a rig. Mr. Donaldson used liniments and mixtures of all kinds to no purpose. At last he tried Dr. Hall's Rheumatic Cure on the suggestion of a friend, who had been cured of a similar complaint, and after taking one bottle of this wonderful preparation the pain disappeared, and now he is as well as ever.

Dr. Hall's Rheumatic Cure is put up in 50 cent bottles, containing ten days' treatment. For sale by all druggists and dealers in medicine. The Dr. Hall Medicine Co., Kingston, Ont.

**Mr. Hill's Prosperous Pastorate in the Tabernacle.**

The last regular quarterly official board meeting of the Tabernacle under the pastorate of the Rev. Newton Hill, who will take a charge in Toronto, was held last evening, when the financial state of the church was carefully reviewed and found in a most prosperous condition. A large increase in membership during the year was also shown, and the following resolution, expressing the feeling of the board was unanimously passed by a standing vote:

"We, the members of the Tabernacle quarterly board, desire to place on record our hearty appreciation of the faithful services rendered this church by our pastor, Rev. Newton Hill, during the past three years. His efforts for the advancement of the cause here, have been indefatigable and as a consequence the pastoral term now closing has been one marked by steady progress, both spiritually and financially. We also desire to couple with this the name of Mrs. Hill who, in the Sunday school and Epworth League as well as in the church generally has rendered most valuable service. We earnestly pray that the blessing of God may go with them and make them increasingly useful in their new field of labor."—Belleville Sun of 8th May.

**THE POM POM GUN.**

Whenever way we turn,  
 It's pom pom boom;  
 The British are astery,  
 Pom pom boom!  
 Our hopes we must discard—  
 They pom pom and bombard—  
 Now that is mighty hard  
 On Oom!  
 When Cronje he was caught,  
 Pom pom boom!  
 We knew the thing was hot,  
 Pom pom boom!  
 We thought our splendid slogs  
 Were up against some snots,  
 But here is Little Bobsal  
 For Oom!  
 Is Canada down there?  
 Pom pom boom!  
 For the others we don't care.  
 Pom pom boom!  
 Each Boer will save his neck,  
 The Canucks are on deck,  
 So we will further trek,  
 Treks Oom!  
 Glory be to God!  
 Pom pom boom!  
 Old Kruger is a fraud.  
 Pom pom boom!  
 They've got them in their clutch.  
 Will they let 'em go? Not much.  
 Hear the cursing of the Dutch—  
 At Oom!  
 Is Helena big enough?  
 Pom pom boom!  
 That little island rough.  
 Pom pom boom!  
 It may be rather small,  
 But we'll fix it up next fall  
 With a bed against the wall  
 For Oom!
