Jarvis Street Choir.

Definite arrangements have been completed for the appearance here of the choir of Jarvis Street Baptist Church, Toronto, on Monday evening, May 12th, in St. Paul's church. The choir will leave Toronto by special train and will be entertained here by the choir of St. Paul's church. The programme will be given entirely by the visiting choir, which consists of about 50 members, under the leadership of Mr. A. S. Vogt, conductor of the famous Mendelssohn choir, and is considered by competent critics to be the most accomplished choir in Canada. The program will be selected to cover works of interest and merit and the visit of this choir should prove of great benefit to our local choirs from an educational point of view. An effort is to be made to secure the attendance of the various church choirs in a body. Tickets are now in the hands of the members of St. Paul's choir and are placed at 25c. It is expected that the seating capacity of the church will be taxed to its uttermost on this occasion. Visitors from out of town will please make early arrangements for seats with Mr. J. Crane, organist, and chairman of the church.—Peterboro Examiner, of April 19th, 1902.

To the Editor of The Omemeo Mirror:

Dear Sir,—Will you kindly publish in your valuable paper, the following reasons why in the opinion of some of your readers the Electors of East Victoria should support Mr. Heyd, the Liberal candidate in the approaching election.

1st. Mr. Heyd, being a resident of Toronto, and within a few minutes walk of the Parliament Buildings can be of infinitely more service to the electors of this Riding than Mr. Carnegie, whose home is near Cobocook and probably is in Toronto only during the session.

2nd. Mr. Heyd is a property owner in the City of Toronto and elsewhere, and is therefore especially interested in building up Ontario instead of Montreal, and, if elected, would vote for which Railways that would build up Ontario, instead of doing as Mr. Carnegie did, vote for aiding railways leading to Montreal.

3rd. Mr. Heyd, being an able and honest Lawyer is therefore in the very best position to intelligently and forcibly place before Parliament the needs and claims of East Victoria, such as improved Roadways and better Railways facilities, etc.

4th. East Victoria has too long been opposing the Government of Ontario. It is time this riding should be represented by a member in sympathy with the Government, and therefore better able to look after the interests of the people here.

5th. Mr. Whitney and his followers do not hope to carry the Province. Ross is certain to be returned with an increased majority, therefore vote for Heyd and the betterment of East Victoria.
