Dominion Carriage Works.
Everybody who has a Buggy or Vehicle of any kind, get your tires reset on one of Henderson's
Tire Setting Machines.
Manufactured by the Standard Tire Setter Co., Keokuk, Iowa.

It sets them cold. It does the work in a few minutes time. It keeps the dish of wheels just right. It does the work perfectly. It is a wonderful improvement over the old method.
No more guess work, but tires are reset accurately and quickly, without any chance of giving too much dish to the wheel, or in any way injuring it.
Having one of these Tire Setters in practical operation, the patronage of the public is solicited. All work thoroughly warranted.

WOODVILLE.

The induction of the Rev. Mr. Kinnawin, of Omeme, to the Presbyterian congregation here, took place on April 28th. The day being all that could be desired a number of our young men and older ones as well, went to Blackwater Junction to meet the reverend gentleman and welcome him here. In the afternoon a large number of people assembled in the church, and about three o'clock the induction services were proceeded with, Mr. Fraser, of Uxbridge, preaching the sermon. Mr. Wishart, of Beaverton, addressed the minister, and Mr. Turner, of Kirkfield, the people. This being over the people were invited to a large dining hall in the basement, where lunch was provided by the ladies, and a very enjoyable time spent. In the evening the choir gave some excellent selections, intermingled with short addresses by the resident ministers, which was much enjoyed by the people. The church was suitably decorated for the occasion.—Watchman-Warder Correspondence.
