

HEART DISEASE.

Trouble Much More Common Than Is Generally Supposed.

A healthy person does not feel the heart at all. If the heart makes itself felt it is a sure sign of some one of the many phases of heart trouble.

Most of the troubles affecting the heart are caused by anemia, indigestion or nervousness, and when any of these causes lie at the root of the trouble it can be surely cured by the use of Dr. Williams' Pink Pills.

THEIR OWN BOAT LINE. The favorable points of the Ottawa or Hull proposition are that the raw materials are abundant, and the stone and clay lie at the very door of the factory, that they have water-power at the very low rate of \$15 per horse-power, that they have both water and rail transportation.

There are cases of consumption so far advanced that Hiekie's Anti-Consumptive Syrup will not cure, but none so bad that it will not give relief.

What a good world this would be if all men did what they boast of. For our friends, years ago, a young man named Henry was suffering from a severe case of dandruff.

MONSTER CEMENT PLANT. ANOTHER LARGE INDUSTRY FOR THE DOMINION. \$350,000 of Contract Have Been Awarded for Concrete Works at Hull.

The Ottawa papers gave an interesting account of the gathering on several days of last week at Ottawa of a dozen or two representatives of iron and steel manufacturing concerns from various Canadian, United States, and German cities.

According to the "Citizen," the directors had long day-and-night sessions with the representatives of the iron and steel manufacturers who tendered for the new cement machinery for the big Hull works.
