Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks. By the use of Dr. Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

\$500 Reward for Woman Who Cannot be Cured.

The proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Profluvium, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"There are thousands of sick women dragging out a weary, miserable existence, who would be well and happy did they but have my experience with Dr. Pierce's Favorite Prescription." writes Mrs. Annie Lemman, Lady Commander Star of Bethlehem, Lodge No. 27, of Jackson Street, Atlanta, Ga. "Four years ago I was nearly dead with inflammation and hemorrhage. I endured daily untold agony, and life was a burden to me. I had used medicines internally and externally until I had made up my mind that there was no relief in sight for me. A friend of mine endorsed Dr. Pierce's Favorite Prescription, and I determined then to give it a trial. It took patience and perseverance for I was in a bad condition, and had to use your medicine for nearly four months before I was cured, but what a change it brought, from despair to happiness, from misery to the delightful, exhilarating feeling that only health brings. I would not change back for a thousand dollars. Your 'Favorite Prescription' is a grand medicine. I wish every sick woman would only try it and be cured."

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics. The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss; therefore, accept no substitute. Dr. Pierce's Pellets regulate the bowels.

Messrs. B. Laidley and A. Henderson were in Lindsay, Saturday, on business.

To prove what Anti-pill, the Great System Treatment will do for you, Every Reader of this paper may have a Sample Bottle sent Free by Mail.

Derangement of the stomach is responsible for much sickness and suffering. Every organ of the body depends upon the stomach; it is not working right the blood carries to the liver, heart, nerves and kidney tissue imperfect nutrition—they become weak and unable to perform their work—become clogged, diseased, and throw out their distress symptoms. Now you may get stimulative temporary relief by the taking of a kidney, liver, nerve or heart specific, but the cause remains. The stomach is at fault, and so long as it keeps loading the blood with impurity—waste, so long will the blood transport and deposit disease breeding elements in the weak places—When you feel sick, help the stomach first. A well stomach means a well body. Anti-Pill, the Great System Treatment, is a new discovery that has a marvelous influence in correcting system ailments. Address, Wilson-Pyle Co., Niagara Falls, Ont., for free sample Regular size, a month's treatment, 20 cents at Druggists.

HOW IT SPREADS. The first package of Hem-Roid (the infallible Pile cure) that was put out went to a small town in the State of Nebraska.

It made the cure of a case of Piles that was considered hopeless.

The news spread and although this was only two years ago the demand prompted Dr. J. S. Leonard, of Lincoln, Neb., the discoverer, to prepare it for general use. Now it is being sent to all parts of the world.

It will cure any case of Piles. There is a month's treatment in each box. Sold for \$1.00, with absolute guarantee.

It is for sale by druggists.

Ops Spring Show.

The small crowd had been the weak feature of the Ops Spring Show, on Saturday, consolation might have been derived from blaming the bad weather. But when the entries were so pitifully few, there is good reason to look to the cause, if this show is to have a future.

Of the imported Clydesdales, Mr. John Patterson of Millbrook was judge. Pioneer, of the Oakwood Horse Association came first. King Alfred associated by W. J. Lowes, Bethany, second and McQuah, the property of Skuce & Robertson took third. Dr. Broad's Knight of St. Andrew's was on the grounds but did not enter.

In the Coach class, Dr. Broad's King Proctor recently purchased in Indiana was the winner, while Mr. Jas. Callagher's Flashlight secured the place money. Dr. Broad also captured the honors with the black stallion Birdelle, in the class for French horses.

Never before was the list of roadsters so light. The only entry was a handsome chestnut three-year old, Harold L., sired by Canadian Star, and out of the dam of Minnie Keswick. This animal is owned by Mr. J. L. Laidley, of Omeme. Mr. D. Jackson of Woodville showed the handsome three-year old Canadian bred Clydesdale, Prince Arthur, and was awarded first honors. This animal is a good prospect for some enterprising horseman in the more remote sections, and is for sale.

The catlemen made a very poor showing. Mr. Steph. Oliver's prize-winning Jersey bull, Pegis Lad, was the only entry.—Watchman-Warder.

A Pretty May Wedding.

A very pretty wedding took place at the home of Mr. John Wetherup, Sunshine Hollow, on Wednesday, the 4th of May, 1904, when his eldest daughter, Maye Ursula, was united in marriage to Mr. John Alfred Courtney, both of Emily.

The wedding march was played by Miss Hattie Courtney, sister of the groom.

At the hour appointed, the bride, leaning on the arm of her father, entered the parlor, and entered the parlor and took her position under an arch of evergreens, decorated with pink and white roses. The bride was beautifully attired in cream voile, trimmed with over lace and ribbon, and carried a bouquet of white carnations, lilies of the valley and smilax, and was assisted by her sister, Miss Pearl Wetherup, who was prettily dressed in pink muslin, over pink, and carried a bouquet of pink carnations and smilax. Mr. Alfred joyfully took his place as best man.

The ceremony was performed by the Rev. E. Roberts, of Lindsay, in the presence of about sixty guests. The bride was the recipient of many beautiful and useful presents, which shows the esteem in which she is held by her many friends and acquaintances. The groom's present to the bride was a handsome gold watch guard, set with opals and pearls, and also to the bridesmaid a beautiful purse.

After hearty congratulations were extended to Mr. and Mrs. Courtney, all sat down to a sumptuous repast, the Misses Adams, of Omeme, attending to this part of the pleasing event. The evening was spent in social enjoyment.

The bride's travelling suit was of green ladies' cloth, trimmed with buttons, and was exceedingly pretty and most becoming, as was also her cream picture hat.

The happy couple left that night for their home on Lot 4, Con. 2, Emily.

Their many friends wishes them a long, useful and prosperous life, in which the Mirror joins.
