BAD BLOOD

Reveals itself in many ways. Sometimes the impurities in the blood mark and mar the skin with blotches, pimples, boils or other eruptions. Sometimes the result of bad blood is rheumatism or a debilitated condition which is popularly described as "feeling played out, hardly able to drag myself around."

The impurities and poisons which corrupt the blood, clog the liver and cloud the skin are removed by the use of Doctor Pierce's Golden Medical Discovery. It does more than eliminate the poisons; it increases the activity of the blood-making glands so that there is an increased supply of pure, body-building blood. It brightens the eyes, cleanses the skin, and gives new physical energy.

Accept no substitute for Dr. Pierce's Golden Medical Discovery.

"I thank God for the good your medicine has done me," writes Mr. James M. Sizemore, of Mitchell, Lawrence Co., N. C. "I was not well for two years. My throat was always sore, head ached, and I had aches all the time. My weight was 155 pounds. I was taken sick with typhoid fever, and when the fever left me I had such a pain in my side I could not breathe without pain. I thought I must die. My wife went to drug store and procured a bottle of Dr. Pierce's Golden Medical Discovery and a trial of his Pleasant Pellets. I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pleasant Pellets.' I began to feel better—the pain soon left my side and I could breathe with ease. In a week or so I felt good. I had such a pain in my side I began to walk about the streets. I felt better each morning. After a month's use of the medicine I was well. That was over a year ago. Now I weigh 185 pounds and feel better than ever in my life."

Dr. Pierce's Pleasant Pellets cure constipation.

Mr. and Mrs. W. D. Stinson and Mr. Albert Jones, of Omeme, spent Sunday with Monaghan friends.

To prove what Anti-pill, the Great System Treatment will do for you, Every Reader of this paper may have a Sample Bottle sent Free by Mail.

Derangement of the stomach is responsible for much sickness and suffering. Every organ of the body depends upon the stomach for its food. If the blood carries to the liver, heart, nerves and kidney tissue imperfect nutrition—they become weak and unable to perform their work—become clogged, diseased, and throw out their distress symptoms. Now you may get stimulative, temporary relief by the taking of a kidney, liver, nerve or heart specific, but the cause remains—The stomach is at fault, and so long as it keeps loading the blood with impurity—waste, so long will the blood transport and deposit disease breeding elements in the weak places—When you feel sick, help the stomach first. A well stomach means a well body. Anti-Pill, the Great System Treatment, is a new discovery that has a marvelous influence in correcting system ailments. Address, Wilson-Fyle Co., Niagara Falls, Ont., for free sample Regular size, a month's treatment, 50 cents at Druggists.

In another column will be found a reproduction of a circular issued for the purpose of drawing attention to the fact that Sunday, May 29th will be "Hospital Sunday." The circular fully explains itself, but we might add that this grand institution in the County is worthy of all the assistance that the people of the County may be able to give. We feel sure that Omeme and Emily will make a good showing on May 29th.

A grand Concert will be held at the Bradburn Hall, Omeme, on Tuesday evening, May 24th, under auspices of the Christian Endeavor Society of the Presbyterian Church. A rare literary and musical treat. The committee have been fortunate in securing the services of Miss Maud Richardson, popular elocutionist, of Toronto, who has won the hearts of Young Canada, in her readings, recitations, personations and comic dialect renditions, and also of Miss Dean, violinist, who has been greeted in the cities of the Dominion by large and enthusiastic audiences, having travelled with the famous Jesse McLaughlin Company last season. Few entertainers have received a more liberal meed of praise from the public press than the Misses Richardson and Dean. Reserved seats 35c. Admission 25c. Children 15c. Reserved seats tickets for sale at the entrance. Doors open at 7:30. Program begins at 8. Dr. Cameron, Chairman. God Save the King.

HOW IT SPREADS.
The first package of Hem-Roid (the infallible Pile cure) that was put out went to a small town in the State of Nebraska. It made the cure of a case of Piles that was considered hopeless. The news spread and although this was only two years ago the demand prompted Dr. J. S. Leonhardt, of Lincoln, Neb., the discoverer, to prepare it for general use. Now it is being sent to all parts of the world.
It will cure any case of Piles. There is a month's treatment in each box. Sold for \$1.00, with absolute guarantee.
It is for sale by druggists.

The Ross Memorial Hospital

HOSPITAL SUNDAY.

Lindsay, April 30th, 1904.

DEAR SIR:—The Governors of The Ross Memorial Hospital desire to make their annual appeal to the Churches in the County of Victoria, for aid in carrying on the work of the institution committed to their charge.

It was decided last year to ask the Churches to set apart the last Sunday in the month of May in each year as Hospital Sunday. The response was so general and generous that the Governors have reason for concluding that the Christian Communities of the County have accepted the proposal, and that the day may be considered as established.

There was received from the Churches until the close of the Hospital year, September 30 last, the sum of \$401.14 and several congregations have sent contributions since. As the annual report was mailed to you, it seems unnecessary that particulars of the good work already done should be repeated. The need for help is as ever urgent. May we then ask you to bring definitely before your congregation the duty and privilege of assisting in this way in the work of caring for and healing the sick and injured, and give your people an opportunity to make an offering on Sunday, May 29th.

All moneys collected should be remitted to J. R. McNeill, Sec.-Treasurer, Lindsay, as soon as it may be found practicable. Yours truly,
J. D. FLAVELLE, Chairman.
J. R. MCNEILL, Sec.-Treas.

Some Leading Stallions

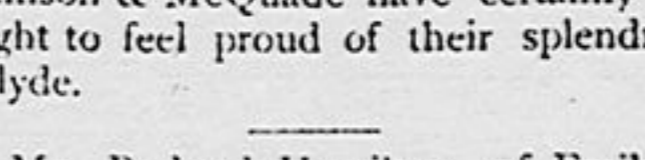

CLYDESDALES.

Mr. H. Beatty, proprietor of the Commercial House, Omeme, has in "Golden Mac" No. 3470, one of the best stallions in Canada. He is a handsome 3-yr. old, bright bay, of good weight, style and action. His ancestors are all extra well bred. Any horseman can immediately see in "Golden Mac" a horse of noble bearing. He will be kept at his owner's stable during season of 1904. "Golden Mac" has but few equals. See cards.

MACINNES, JR., 3697, owned by Messrs. Simson & McQuade, Omeme, is a rich bay Clydesdale Stallion. In action and appearance he has few equals, and is of the best blood. Those wishing to improve their stock cannot fail to appreciate the points of merit in MacInnes, Jr. His predecessors have great records as prize winners. See cards for route, pedigree, &c. Messrs. Simson & McQuade have certainly a right to feel proud of their splendid Clyde.

Mr. Richard Hamilton, of Emily, has purchased that noted Clydesdale Stallion, "Young John Anderson," from Mr. Colvin. Cards will be out in a few days, giving full particulars as to route, pedigree, &c.

Mr. J. W. Lowes, of Bethany, has two handsome Clydesdale Stallions, "King Alfred" and "Beulah," both being from noted sires and dams. See cards for full particulars.

TROTTING STALLIONS.

Mr. Alex. Potts, of Manvers, is the owner of this handsome stallion, "Young Kean Rothschild," one of the best horses in his class in this district. "Young Kean Rothschild" has a good clean record, and parties desirous of bettering their stock should read the route cards with his description, pedigree, etc.

HAROLD L., the Standard Bred Trotting Stallion, owned by Mr. J. L. Laidley, Emily, is as handsome a horse as one would desire to look upon. His pedigree extends a long way back, and there are no flaws in it—nothing but good blood all along the line. His sire was Canadian Star, and his dam was Flying Minnie. Harold L. will serve the season of 1904 at his own stable, Lot 6, Con. 5, Emily, one and one half miles north of Omeme. See cards.
