THE OMEMEE MIRROR.

REPORT OMEMEE HIGH SCHOOL

Attendance for the month of June, 51. Average for the summer term 52. Students' fees for the last six months \$102. Nearly all the students will write either dow and Door Frames; Newal Posts, Stair for commercial certificates, for teachers' Rails, Ralusters, Moulders &c. certificates, or for University matriculation. But while so large a proportion of the school intend to write, all these C. E. HUBBS, Agent | have not been advised to do so; on the contrary, several have been advised not to write. Again the per centage passing of those who try the examinations here can not in the natural course of things be so large as at a school like, say Petborough, because a student at the latter school has his work so arranged that he is compelled to spend more time in preparing for his examinations than he is at Omemee. For instance, all over, first form pupils have been prepared during tion, and the tables are supplied with the best of everything in season. The bar is stocked with the choicest brands of fine liquors, wines and cigars. Good stabling and careful hostlers.

form pupils have been prepared during the past year for the commercial, and nearly all are now taking that examination, but such is not the case in the ation, but such is not the case in the large schools. In short, a student of this school, preparing for any of the examinations, may take them as soon as he can master the work required; the time necessary depends upon his ability.

COMMUNICATION.

We do not hold ourselves responsible for the opionions expressed by our correspond-

To the Editor of the Mirror, DEAR SIR, -I am very thankful to you

for giving me sufficient space in your paper, THE MIRROR, for the purpose of inserting a few things which I hope might be of some use to our schools in which I had an interest forty years ago, and that interest has ever since kept though they see perfectly well derstand the wants of the school. Our who would gladly adopt the bloomer Della Carey when at play outdoors, and quite kind friend, who made some very mild costume for bicycling, for its freedom, well when they first take up a book, remarks in the last week's Mirror in comfort, and convenience; but they are more than a few minutes at a time. kind enough to give the public all the that they will persist in spite of all con-Such children will sooner or later information respecting those affairs that tumely. It is none of men's business .his imagination was able to furnish him, | Springfield (Mass.) Union. and a great deal more. I thought when fect is corrected by an eye special- I read the letter that he must have been wearing Chesterfield as a pocket com-"FROWNING EPPRESSION panion. Quite a number of the people in town have expressed themselves as being highly pleased with its senti-

I am just now thinking what a figure of ink-blots! he would have made in literature had he had the good fortune of being under | tears? the supervision of a good old English schoolteacher, which, to him, our friend, seems the only thing wanting to make a gentleman, still should circumstances favor him with seasonable opportunities of having access to good English society,

by. Now I wish to make a statement is no pacing among the fleet ani-Moddings, Lath, Cement, here, and as it is not the part of a gentleman to put himself under the necessity of having to furnish historical proof to corroborate the verity of anything which he might have said or done. You will please termit me to go on with my told by our kind friend, that there was a very slow gait. Man in his crude olden time. and Logs of all Descriptions,

men from the attacks of rashness, malice and envy.'

There is some mention made of a telescope, in the last week's letter, an optical instrument which our friend thinks a great deal of and there is no doubt but this article in many respects might be very good, all the principal lenses are made in England, and we frequently hear from those ships that carry them across the Atlantic, about the care that has to be taken in keeping them at | May McCaffery a certain degree of temperature for fear they might get out of shape. Now, I think that I have said enough about | Stella Sandy A weekly newspaper, published in the inboth books and other things, but if Edna Balfour there is anyone who thinks that our great grandfathers bad neither grammar, philosophy, geology nor history, let him step into my place and I will show him books of this class that were printed one hundred and twelve years

And now, my friend, you cannot fail Olive Glenny to see that the present American laws are not as agr eable as they were some time ago, to any of us who might pay them a visit, and on this account, it is better for a smart man to keep away from the lines as far as he can, for fear he might be kidnapped and hell as a ransom and then to be treated (after all | Reggie Kerr he has done for them) with as little respect as a fogliorn in the shape of a steam jackass on the dangerous coast of Florida. I remain.

> Your humble servant, WM. SHERWOOD.

The hammock girl is out of date, The carriage girl passed. The girl who rides the bicycle Rules all the world to-day. She flashes by with graceful speed. As if she rode on air, And, as she glides along, she finds Admirers everywhere.

Let Bishop Doane and Bishop Coxe Abuse her as they may, The 'cycle girl is here, brandnew, And she is here to stay. She doesn't care how much they fuss, For she knows she's all right, nd, even as they grumble, they Must own she's out of sight.

So here's to the sweet 'cycle girl, In bloomers or in skirts. She's worth a dozen of the girl That lounges 'round and flirts: And here's a wish for Bishop Coxe. A-railing on the fence: hat he may live and grow in grace, And some day have more sense.

THE ANGELIC HUSBAND.

There are husbands who are pretty, There are husbands who are witty, here are husbands who in public are as smiling as the morn; There are husbands who are healthy, There are famous ones and wealthy, But the real angelic husband—well, he's never yet been born.

Some for strength of love are noted, Who are really so devoted 'hat whene'er their wives are absen-And while now and then you'll find one Melville Wilson Who's a really good and kind one; But the angelic husband—oh he's never yet been born.

So the woman who is mated To a man who may be rated As "pretty fair" should cherish him forever and a day, For the real angelic creature Perfect quite in every feature, He has never been discovered, and he

won't be so they say.
