The people of Canada are not surprised that the Jubilee portrait of the Queen, gotten out by the Montreal Star, and the Star Jubilee Medal, of solid aluminium, are carrying everything before them. But the people of England are now admiring both of these souvenirs, and cablegrams say the Star Souvenirs are the best out, either in England or any of the colonies beside Canada.

The 24th of May was celebrated here by a large crowd from the adjoining sections. Unfortunately, some were disappointed, as it was rumored that there was to be a picnic, but this was an entire mistake. Three games of ball were played, viz: a foot-ball match between our school boys and Bethel and Trotter school boys, which resulted in a victory for the home team. The same teams also played a base-ball match, which was won by the Bethel and Trotter boys. These games were played in the afternoon, and in the evening our senior teams and Bethel seniors played a game of foot-ball, which was won by our sports.

Rev. Mr. Hill. BELOVED PASTOR.—As the time for your leaving draws near, we, as members of your Junior League, feel that we should in some way show that we regret your departure. You have improved our Society, urging us to work and helping and encouraging us when we felt weak. When our society was strong and flourishing, you rejoiced with and praised us. When our society felt a little feeble after the loss of our dear pastor, you have striven to get us to increase our members and again take up the work where our other members left it and made it prosper. We feel that we have often deserved your censure for not being more diligent in our work, but instead of being vexed, you would only feel sad. During your Presidency you have helped us spiritually, directing our feet in that straight and narrow way which leads to life eternal, and by your kind teachings you have made the steep and thorny road appear as a path of roses. We wish you success in your new field of labor, and hoped that you may encourage and help the Junior Societies of other places, the way you have helped us.

Let the following lines, composed by a friend, express our feelings on your departure. When you leave this little village, Where for some years you've dwelt, Will you keep a kind remembrance, Of those friends with whom you dealt? Of those friends with whom you dealt? Will you think of those you aided, Though you thought your efforts vain, And by your kindly deeds and actions Made the narrow way so plain? Will you think of those who loved you For your bright and Christ-like ways, Through both dark and sunny ways? Will you in your private-fun moments Think of those who got so weak In the service of the Master, But striving hard for his dear sake, Farewell, dear pastor, 'till you leave us? We shall never forget thy love, And when our journey here is over We will dwell with thee above.

[Signed in behalf of the Society of Junior League of Christian Endeavor.] Mrs. O. G. Williamson, President, Mrs. Scott, Vice President, Mrs. Evans, Secretary, Mrs. Thompson, Asst. Secretary, Mrs. Brown, Treasurer.

Please accept this small token of our regard for you. At this moment Miss E. Hill has stepped forward and gave Mr. Hill a beautiful hymn book with his name engraved in golden letters on the cover.

Mr. Hill made a suitable reply, thanking the Junior League for this acknowledgment of their appreciation of his efforts and also for the beautiful present.
