

**HOW HEALTH IS GAINED**

The story of a great deal of the unhappiness of women is a story of lost health. Women wonder how it is that little by little the form loses its plumpness, the cheeks grow hollow and sallow, and they feel tired and worn-out all the time. In a large proportion of cases when women are weak, run-down and falling off in flesh and looks, the root of the trouble can be traced to womanly diseases which undermine the general health. The proof of this is that women who have been cured of painful womanly diseases by the use of Dr. Pierce's Favorite Prescription have recovered their general health, gained in flesh and in appearance. Dr. Pierce's Favorite Prescription cures the womanly diseases which sap the general health. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I suffered for three years with ovarian trouble," writes Mrs. Anna Quinn (Treasurer Woman's Athletic Club), of St. Symeon's, Milwaukee, Wis. "The treatment I took did not do me a particle of good, until a good neighbor who had been using Dr. Pierce's Favorite Prescription advised me to give it a trial. The next day took my first dose, and it was my first step toward recovery. In nine weeks I was a different woman; my flesh which had been flabby became firm, complexion clear and my eyes bright. It was simply an indication of the great change within from pain and suffering to health and happiness."

"Favorite Prescription" makes weak women strong, sick women well. Accidents substitute for the medicine which works wonders for weak women. Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.

Some years ago a Philadelphia preacher inaugurated in his Sunday-school the practice of having the children quote some Scriptural text as they dropped their pennies into the contribution box. On the first Sunday in question, a little shaver walked up and said: "The Lord loveth a cheerful giver," and in dropped his penny. "Charity shall cover a multitude of sins," and in dropped the next. "It is more blessed to give than to receive," quoted the third, and so on. Just then, up walked a little fellow with the unmistakable remnants of molasses candy on his chubby face, and as he dropped his cent, he bawled out: "A fool and his money are soon parted."

Lord and Lady Minto honored Omemece by a visit last week, and addressed the pupils of the schools. The regret was that notice was not received of their intended visit in time to pay them the deference due our highly esteemed Governor-General and his Lady, by getting up a demonstration. Should his Lordship and her Ladyship again visit our town, and we receive notice in time they will receive as warm a welcome as from any town in the Dominion.

Rev. J. H. Tuney and Mr. R. H. Johnson attended the annual meeting of the Synod of the Diocese of Toronto, last week. They made a visit to the legislative Chambers and met Mr. R. R. Gamey, M. "Down in South Carolina," says Congressman Talbert, "I once attended a colored church. The preacher, one of those negroes with an oily face and big spectacles, was talking about the prophets. He had taken an hour to discourse upon the major prophets, and then he took up the minor ones. In course of time he reached Hosea. 'My brethren,' he exclaimed, 'we come now to Hosea. Let us consider him. Where shall we put Hosea?' At that moment an old negro, who had been peacefully slumbering in one of the back pews, woke up and looked at the pastor. 'Hosea can take my seat,' he said. 'I'm so-tired that I am going home.'"

Brown took Mr. Kenny's work at Millbrook on Sunday.
