You must seek Christ, the one who always has that figure down to \$5 per cwt. The \$4.70 to \$4.90, and medium were

> Butchers' Cattle - The market was very steady, with an inclination to firmness for the best grades. As in export cattle, there were too many inferior lots offering, and only the best were in active demand. The best pickled lots ran about \$4.60 to \$4.80 per cwt., with the general run of choice cattle selling at about

about steady at \$3.30 to \$4.60

Sheep and Lambs - Trade was fairly good and everything was sold. Export ewes are quoted at \$3.75 to \$3.90, bucks at \$2.75 to \$3, culls at \$2.50 to \$3.50, and lambs at \$2.50 to \$4.50 each. Hogs-The run was heavy and the market was slightly weaker in con-

sequence. Quotations are, however,

unchanged at \$5.871 for selects and \$5.621 for lights and fats.
