#### THE OMEMEE MIRROR.

OMEMEE. THURSDAY, JULY 25, 1835.

LOCAL LACONIC Old newspapers for sale at this office. Hay sold in Cobourg, last week, at

:\$9 a ton. Ge to Higinbotham's, when in Lindsoy, for pure drugs. Try the Insect Powder for Animals. A call solicited.—27-1x.

Guy & Co. have on hand a large quantity of coal which they are selling cheap. Apply to F. E. Hatch, Omemee. 27tf. to F. E. Hatch, Omemee. Note the adv. in this issue re first posting of the township of Emily Voters'

"I would send you a kiss, papa," wrote little Lucy, who was away on visit, "but I have been eating onions." A song service is to be held at Lebanon next Sunday afternoon. Rev. Mr. Hill is to give an address on "Blind

Eyes." If you want the best Lehigh coal cheap you should not forget that Guy & Co. are the men to purchase it from. F. E. Hatch is their obliging manager in Omemee, from whom all information can be obtained.—27 tf

Why cannot more interest be shown in improving our beautiful river? Can not some scheme be be advanced to

keep the weeds out of the channels? Found on Mary-st., Omemee, this week, a pocket book, containing a ring and a small amount of money. Owner can have same by calling at this office

and paying for this advertisement. -31 The bicycle will not long be enjoyed only by the favored few. It is said that next year the best wheel may be bought for \$30. It will cost only \$20

to manufacture them. Manitou lacrosse team was successful last week in deafeating Winnipeg's best team. This gives Mauitou the championship of the prevince. This victory has been won only after some years of hard fighting. Omemee have former nine by a score of I2 to 6. The young men who would be second to following are the players and the posi-

none if they would only make a venture. The services in the Methodist church last Sunday were very interesting. Rev. N. Hill, the pastor, preached especially to the children in the morning and notwithstanding the rain, the children were out in large numbers. The Rev. gentleman took as his subject the life of Christ and presented it in such a way as to hold the close attention of the little flock. Such services cannot fail to do much good. In the evening Mr. Hill preached either of the teams could quite easily to a large congregation, taking for his

J. H. Wilson is expected to go on his vedding trip this week. We wish you very happiness, Jack.

Dr. Neelands, Dentist, Lindsay, extracts teeth free when artificial ones are inserted by the use of either the Hypodermic Needle Etheal Chloryde or Gas Vitalized Air.27-6m. H. H. Holmes has no les than eight murders charged against him. What villans there in this beautiful world.

Bear this in mind if you require anything in watches, clocks, jewellry, silverware, etc., for wedding presents, go to W. F. McCarty, Lindsay. He will please you. Prices moder-Several persons have gone down the

river to camp out for a few days. It is indeed delightful to get away to such a beautiful spot during this warm spell.

We are informed that on Sunday evening Mr. Jas. Lowery, of Millbrook partook of salmon and took ill and despite the aid of four medical men, he died on Monday morning. When you are going to get married,

don't forget to procure your marriage license. C. Hughan in Lindsay willissue one for you for \$2.00. Be sure and procure it in ample time, so as to avoid no I hose who tried the entrance examintion, are no doubt anxious to know the

result, but as yet the MIRROR cannot enthe names of the successful candidates. Nan-Kitty, I don't hear you talk about your handsome employer any more. Kitty-No; I don't like him so well. The fact is, he hurt my feelings dreadfully. He told me he was war-

The S. A. Musical Festival on Friday A few real bargains still those who attended. The Women's night and were conveyed to the homeindeed delightful.

The monthly business and missionary meeting of the Woman's Auxilliary will be held at Mrs. Curry's this (Thursday) evening at 7 o'clock, instead of 2 p. m. as formerly. All members especially asked to be present.

Several fatal cases of diphtheria are reported at Millbrook. We noticed by the Reporter that Mrs. Jas. Cochrane had lost a little girl, and later reports friends who are all pleased to meet him. reaches this place that Mr. Raper had a child die of the same dread disease, and still further reports say that Mr. John Clark's child is afflicted with it.

Several heads of fall wheat were laid Thomas Stephenson, and by an oversight, we failed to make a note of it The above grain is a sample from one is indeed beautifully developed, and if all Mr. Stephenson's grain turns out as well as his wheat, he will have no cause to complain.

A dangerous pratice is that of smoking in bed. One night last week a gent in a botel laid his cigar upon a cane geated chair and dropped off asleep. The cane caught fire and in due time a hole was burned large enough to allow a burning lamp to drop through. The oil added to the flame, and had not a guest in the next room discovered the accident at once the consequence might have been serious indeed.-Colborne

Lindsay, has just imported from the old country two imposing Scotch granite monuments in the rough state, one standing about 10 ft. high and the other a little less. When the sculpturing designs are worked out with the skill trict. The shafts will grace the Kin- unimportant matter, which seemingly mount cemetery, being intended for the graves of the late William Dunbar and Cottingham, whose sad deaths by drowning a year ago last winter in Ganhon's Narrows, below Bobcaygeon, day last. while returning after night from the Peterboro races, will be remembered by

our readers. It may not be generally known that H. R. H., the Arch Duke Albrecht of Bohemia, and suite, passed through our old experienced senior player, carefully fair village on Wednesday en route for Tonnahauser. His Royal Highness is at present on a hunting tour through Ontario, travelling in cog. His charger, which is in care of Barnabbus Burtone, excited the highest admiration among those who had the pleasure of an interview. In speaking of the tour with the party, Herr Burtonne says His Highness expressed himself as greatly pleased with our country. Especially mentioning the noticeable evidences of culture and refinement among the farmers. features which are greatly lacking in his own country. He says that this country is admirably adapted for rearing cavalry horses.

club of Peterboro came to town and played a friendly game with the junior nine of this place. In the first part of the game the Peterboro boys seemed to have it all their own way, caused, no | you have two or three hired players in doubt, by the inability of the local club to hit the curves given by Pitcher Conners. However in the latter part of the game the home nine were getting acquainted with the pitcher, and then it seemed as though Omemee was going to have the best of it, but the change took place too late to make very much difference. Nine innings were played, resulting in a victory for the

To the Horned Toad of Mt. Pleasant,

Special to the Marror. In answer to the spleen of the Mt. Pleasant base ball enthusiast, containand originality for which Mr. Chambers | ed in several neighbouring papers, I is noted the monuments will be equal would like to make plain, a few facts to any to be seen in the Midland dis- and at the same time give vent to some so agitates our southern bore.

ball at the Foresters' pic-nic on Thurs-

Now I am informed upon good authority that one of your players came here and made arrangements for that game. with a citizen, who, although being an old base ball players and not a member nor player with our junior nine of school children which your full grown, selected from a vast territory lying to to our south, bad, in their own miuds, the grand and glorious honor of defeating on May 24th, by a small score. Please allow me to inform you, Mr

Scribe, that the proceedings of May 24th last were conducted entirely by the Brass Band and not by the junior nine as you should know perfectly well, it you are capable of knowing anything at all, so you have no right to throw petty grievances at the feet of this much des-

pised organization of small boys. The boys say that about the time the disappearance of the Mt. Pleasant B. B. boys a rather strange coincident happened, being the disappearance of

Of course I do not infer from this that the Mt. Pleasant boys mesmerized the ball at all but perhaps it was nearly as great a bellous as their worthy scribe On Friday last the junior base ball and getting windy started to puff and blow until in blew itself down somewhere in the vicinity of-well some-

witere this side of Cavanyille. Our children here also say that gues somewhat against the grain when anticipation of a great victory over opponents who do not show up be they ever so insignificant.

You say that you were almost charged an admittance to the grounds and allowed to go supperless.

I suppose if it had not been for some tecnical point in our British law or some loop hole in the rules governing entrance to base ball grounds and dining halls which your cunning, crafty, far-seeing correspondent detected you would have undoubtedly starved to death in the very midst of a civilized and prosperous people. Boys ever stick to this your noble saviour and deliverer. Your exhibitional scribble is like a chew of tobacco. It is abominably dis-

gusting and makes me sick. I would very much dislike to cause the death of any human being, so if this sticks over tightly in your throat either swallow it or spit it out.

bling rot and will undoubtedly greatly appreciate this. Now Mr. Mt. Pleasant would you like to draw in your crumpled horns or wil we be forced to chop them off.

Thanking you Mr. Editor. I remain, yours &c.

#### PERSONAL.

#### Toronto Industrial Fair.

An unbroken record of successes in the past is the best possible guarantee that the Toronto Industrial Exhibition by virtue of powers of sale contained in of I895, which opens on the 2nd of Sepa certain mortgage which will be protember, will be a display of unrivalled duced at the Sale, the following proattractiveness. Many improvements in the buildings and grounds have been made to further the convenience of exhibitors and the public, and with the return of an era of prosperity the enterprise of the management will doubtless be rewarded by a thorough appreciation the inducements offered. The volume of exhibits this season will be larger and more diversified than ever before, and special attractions of a brilliant and exciting character will be

present, including the novel military spectacle "The Relief of Locknow, with gorgeous Oriental accessories and Apparently you are an adept at scribsystem of cheap railway fares and special excursions from far and near enables all to visit the fair at trifling cost and everyone should take advantage of the opportunity, as it embodies ing mechanical progress and scientific

#### Crops Promise to be Bountiful This

Ottawa, Tuly 4.-Professor Saunders, director of the Experimental farm, says that from returns he has received in from the branch farms in the various provinces, the crops all over Canada | promise, on the whole, to be bountiful again this year. The crops in Quebec will be very good. In the eastern part of Ontario will be very satisfactory, though in western parts the drought has done damage. In Manitoba the prospects were never better, The growth | there has been very rapid. In British Columbia the crops promise to be above the average, and there will likely be a splendid yield of fruit.

#### Put Yourselves in Our Place.

We presume that some people think

we newspaper men are persistent duns.

Let a farmer place himself in a similar business position and see if he would ] do the same. Suppose he raises a crop. U of 4,000 bushels of wheat, and his neigh-John Mills, of Lindsay, was visiting | bor would come to buy a bushel and the price was only the small sum of two dollars or less and the neighbor says: "I will pay you the sum in a few days." As the farmer don't want to be small in the matter he says "all right." Others come in the same way, until the whole of the 4,000 bushels are gone out to four thousand different persons, and not one of the purchasers concers himself about it, for it is small account he owes the farmer, and, of course, that could not help him any He does not realize that the farmer has Mrs. A. E. Byers and Miss E. Byers frittered away his crop of wheat in are visiting their Bailieboro friends at little dibbles and that he is fearfully embarrassed in his business because his debtors treat it as a little matter. But if they all would pay him promptly would be a very large amount indeed to the farmer, and would enable him to carry on his business without difficulty.
