On Warm Weather:

PRICE CUTTING

There's no sense in advertising warm weather goods at a reduction about the time you're thinking of donning your winter flannels. That's the policy followed by some clothing dealers, though.

### WHEN YOU WANT 'EM

-- when actually in need of the goods--is the time you'll appreciate getting them a shade or two under the usual price.

Take our Light weight Serge and Grey Suits for instance -- they've the very essence of comfort for summer wer. The price is perhaps lower than you ever dreamed of, but then we have many surprises.

Perhaps you don't know what we can offer you in light Underwear, Hats, Caps, Ties, etc. Call and see the goods; reduced prices in these also.
