By the death of Mrs. Thomas Franks, of Frank Hill, another faithful friend and neighbor has been removed. The deceased had been a sufferer for over four years, two of which were spent in bed, from a very painful and incurable liver disease. Her husband preceded her in death about 26 years ago. She was a devoted and consistent member of the Church of England. Her beautiful and Christlike character, coupled with her perfect submission to the will of God in her severe and painful sickness was admired by all who had the privilege of knowing her. The funeral took place on Wednesday July 10, to Emily Cemetery. Rev. E. A. Laugfeldt officiated. He commended very highly the Christian traits of Mrs. Franks character and the beautiful and Godly life that she had lived as mother and friend. The large attendance at the funeral testified to the high esteem in which the deceased and her family are held by the entire community.

THE TILLER OF THE SOIL.

When afflicted with disease, the farmer, perhaps more than any other artisan, is obliged to suffer acutely, simply from the fact that relief is inconvenient. At the same time a man might live in a block surrounded by medical practitioners, and then obtain little or no relief from rheumatism, once the disease permeates the blood. It is the discovery of Dr. Hall's Rheumatic Cure that then proves a boon to the rheumatic sufferer. Mr. John Connell, Bedford Mills, Ont., had a bad attack of rheumatism from April till June, two years ago. He was so bad that he could not put his foot on the ground. He saw Dr. Hall's Rheumatic Cure advertised in the papers, bought two bottles and used them both. This so relieved him that he was able to walk around, and after using four bottles he was perfectly cured, and has not been troubled with rheumatism since.

Dr. Hall's Rheumatic Cure is put up in 60 cent bottles containing ten days' treatment. For sale by all druggists and dealers in medicine. The Dr. Hall Medicine Co., Kingston, Ont.

Drowned While Bathing.

Little Eric Anderson the Victim.

Just at tea time last evening a report was current about town that a child had been drowned at Sliding Rock. Upon enquiry we found the rumor to be correct and that the victim was little Eric Anderson, aged 8, son of G. I. Anderson. Mr. Anderson has taken the residence formerly occupied by Mr. C. Emerson, near where the fatality occurred. Yesterday afternoon Mrs. Anderson was obliged to come to town on business and took Eric with her, leaving him in Bishop Field College playgrounds. When she was going home she did not call for him as he usually went in by himself at tea time. It seems that Eric after some time playing with the other lads, decided to go home in company with a little school chum, Bernard Lilly, also 8 years old. Being warm the little fellows took off their clothes and went out in Sliding Rock to cool themselves. Bernard Lilly did not remain in the water very long and was on the bank donning his clothes when Eric tried to cross the river. At the western end is a hole about 12 feet deep and near this Eric went over his depth. He struggled for some time but Bernard Lilly did not think there was any danger.

Miss Campbell, who lives nearby, while going to Mrs. Anderson's, saw his two hands above the water and immediately raised an alarm. Mrs. Anderson and her girl, Rhoda Randall, rushed to the scene but could not see the body. Miss Randall without thought of herself dashed in the water, but owing to the depth was unable to reach the boy, although she could see him lying on the bottom. She also was almost over-powered in the water and had to be pulled out. In the meantime the Messrs. Furlong and some of Mr. Campbell's men arrived and the secured the body. The work of resuscitation was commenced at once but without avail, as life was quite extinct. Dr. Duncan was summoned but he also could do nothing. The body was then taken home. Mr. Anderson had heard nothing about it and had just reached his gate as the corpse was being brought in. Eric was an unusually bright and promising boy and was greatly admired at Bishop Field College where he attended. He has been prominent in the concerts given by the college pupils and his winsome ways made everyone like him. Last night the remains were taken to the residence of Mrs. Kelligrew, Cochrane St. Mr. and Mrs. Anderson who were very much wrapped up in Eric, as he was their only son; are almost distracted by grief and to them the News tenders its sympathy.—St. John's, Nfld., Daily News.

BUILT BY LOVING HEARTS AND MAINTAINED BY CHARITY.

After a Brave Struggle with an Overwhelming Debt the Hospital for Sick Children is Within Sight of Freedom — Only \$19,000 Required to Free It.

Eight years ago the Hospital for Sick Children, Toronto, was in a most precarious financial position. Only a few sanguine friends believed that the huge debt of over \$100,000 would ever be lifted from it. A prominent Montreal financier, when asked to loan money and hold as security on mortgage the hospital, enquired as to the suitability of the building for "factory purposes." Perhaps it was his remarks as much as anything else that helped the brave ones who stood by the hospital. The very idea of such

AN IMPERISHABLE MONUMENT OF LOVE.

a possibility stirred the hearts and spurred the efforts of those to whom the Hospital work had become dear. Taking the responsibility of the load upon their own shoulders the trustees of the Sick Children's Hospital appealed to the generous hearts of a rich province—Ontario.

Here is a Hospital— they told it through the newspapers which throws open its doors in answer to the cry of any sick child, a Hospital that has nursed and cured thousands of helpless and crippled children; a Hospital equipped as in no other institution of its kind in the world. Shall a charity so sweet and deserving be forced to close its doors by a mortgage who thinks it might do for a mile?

That was eight years ago. Not before nor since has a single sick child been refused admission to the Hospital. A staff of doctors and a corps of trained nurses are there during the day and the long watches of the night—tenderly and skilfully caring for the little ones given into their care by fond, anxious parents. Little children are brought to the Hospital from the farthest points of the province. Every town and township has been represented during the past quarter century. The fame of its great healing power has been told in many a humble home—for during twenty-five years 40,000 sick children have been taken care of. Some of the little ones treated in those early days are strong, healthy men and women to-day.

Last year the Hospital roll numbered 5,776 patients. Some spent days and weeks in the cot at the Hospital. Others came for a few days, while many were brought to the doors of the Hospital in the arms of their mothers and received such medicine and advice as to speedily effect a cure in their own homes.

More than one third of the little children admitted to the Hospital wards came from places outside the city. The people in the province have helped the

appeal to their friends throughout the province. In a letter to the editor of the paper Mr. J. Ross Robertson says that the Hospital has many well-wishers among our readers who have given practical voice to their sympathy in past years. He believes that they will respond cheerily and generously this year to the call for help. They want to end the century free of debt—That on the morning of the first day of the Twentieth Century there shall stand free, a monument to man's generosity to countless sick children—an imperishable gift of love from the men and women of the Nineteenth Century to

little ones specially confided to our care. More than 10,000 donors contributed to the maintenance and reduction of the Hospital debt last year. Nearly half of these donations were single dollars. Mr. Robertson says the trustees like to have the greater number of individual friends—that they would prefer ten five-dollar bills to one fifty dollar gift.

Mr. J. Ross Robertson, chairman of the Hospital Trust, Toronto, publishes a list of the donations received during the Christmas month in his paper, The Evening Telegram, and copies of the paper are sent to all donors.

Donations may be sent to Mr. Robertson, or to Douglas Davidson, Secretary Treasurer, Hospital for Sick Children, Toronto.
