NO HALF-WAY REDUCTIONS in Price. We mean things to go LIVELY. Whatever will sell them we are satisfied with.

### The Sale Starts on Friday, July 3rd.

We have large plans and fixed principles to follow in this Business, and this planning, this growth, this determination calls forth resolutness at every step. We'll sell the finest stuffs, sell them quickly. Now that we've passed the season's height, we'll let our workers work without profit for the time being, clearing decks for the Fifteen Thousand Dollars' worth of New Fall Merchandise that will arrive here next month.

### Here are reasons why we simply must sell the extra \$12,500.00 worth,

because we must follow our fixed rule (and give you the benefit) not to carry over any goods into another season. Because as . you all know we have no room for the Fifteen Thousand Dollars' worth of new fall goods if we did not clear out this extra Twelve Thousand Five Hundred Dollars and, because we are re-arranging the different Departments in the store.

We also place on sale several lines of new seasonable goods bought ly our Syndicate last week, at actually half price and

There are so many good things in the sale that it is almost like choosing from a basket of eggs where all are good. Here's a Memo anda. Further down are the descriptions.

### Address and Fresentation.

Mrs. (Rev.) George Brown's Sunday School Class met at her home on Monday and gave her a present of a handsome Jardiniere Stand, and a copy of the following address-:

Omemee, June 29, 1903. DEAR MRS. BROWN,-It often happens, in this life, that those who have been united in the bonds of friendship and love are called upon to separate from each other; for a time at least, and when such an accasion does arrive it is not easy to express in words, of any kind, the mingled feelings to which it ever gives rise.

An occasion of this kind has arrived and we learn, with regret, that you are about to leave us for another field of of labor. We say another field, because we feel sure your energy and faithfulness are but transferred to an other part of the Master's vineyard and they have done here. We, therefore, take this opportunity of expressing to you our heartfelt appreciation of your efficient manner in which you have fulfilled your duties as teacher of our class.

We have been much impressed by your earnest endeavours in this capacity to place the truth before us in such a way that it would be surely understood and we hope that time will show the been kind and true.

Omemee, June 26th, 1903. DEAR MR. WILLIAMSON,-A number of your friends have learned, with regret, that you are about to depart from our midst and we are assembled here on this occasion, this evening, to testify to the friendly feeling which has existed during the short time you have been among us; but in parting with you we wish to give some tangible expression of the high esteem in which you are held, therefore, we beg of you to accept this fountain pen as a memento of the kindness and good wishes of your friends in Omemee, and in conclusion we wish you every success in your undertakings, in the future, and may God's blessing go with you, is the kind
