That the young girl has of womanhood is not seldom a painful one. She learns to know what headache means, and backache, and sometimes is sadly borne down by this new experience of life.

All the pain and misery which young girls commonly experience at such a time, may in almost every instance be entirely cured by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, it tones up the general health, it cures headache, backache, nervousness and other consequences of womanly weakness or disease.

Received your letter some time ago, with advice about your wonderful medicine. Miss Stella Johnson, of 28 Brady Street, Dayton, Ohio. I shall urge other women who suffer as I did to use your medicine.
