Muskoka Free Hospital for Consumptives

☞Not a single patient has ever been refused admittance because of his or her poverty.

FROM THE YUKON

—From Bishop of Selkirk, Caribou Crossing, Yukon: "The trifling remittance ($10.00) herewith enclosed, is intended to express our sympathy for the sufferers in other parts rather than imply a special need for your institution here."

CONFEDERATION LIFE ASSOCIATION

—J. K. Macdonald, Esq., Managing Director Confederation Life Association, in sending cheque for $50.00 from his Company, says: "I am pleased to be able to be the medium of helping on so good a work."

Funds Urgently Needed

The financial reports for the year just ending show that to keep the doors of the Free Hospital for Consumptives open, maintaining the number of patients for which accommodation has been provided, not less than $25,000 is required for the year now entered upon.

Since the Free Hospital was opened (18 months ago) 224 patients have been received. The help the institution has been to these people—all from the wage-earning and poorer ranks of life—cannot be estimated in human language.

—Edward D. Haddon, Solina, Ont., on leaving the Free Hospital, writes: "I cannot speak too highly of the institution from which I have received so much benefit. I can but tender my best thanks for the kindness shown."

—Minnie Linklater, Hamilton, writes: "I have spent over nine months at the Free Hospital for Consumptives. I believe I have been greatly helped, and shall never hesitate to use my influence to further that good cause."

There is no endowment, excepting the provision made by three life insurance companies for six beds for the current year. Only by the continued contributions of the Canadian public can the work be maintained.

Patients are accepted from every part of the Dominion, and there have been in residence during the past year patients from Prince Edward Island on the east to the Northwest Territories on the west.

Contributions may be sent to SIR W. R. MEREDITH, KT., Vice-President National Sanitarium Association, or MR. W. J. GAGE, Chairman of the Executive Committee, Toronto, Can.
