The Salvation Army has appointed the dates of this year's Harvest Thanksgiving celebrations to be Saturday, Sunday, Monday, and Tuesday, Aug. 27th 28th, 29th and 30th. The success which indisputably the Salvation Army has had in reaching the masses, otherwise untouched by other organizations, will invite and doubtless secure assistance from every friend of moral progress. In connection with the Harvest Thanksgiving Festival, the local corps is making determined efforts to raise the sum of $14,000 00 toward the support of their social work among the poorest, as well as the payment of various indebtedness. Friends and sympathizers, who are desirous of assisting, need not necessarily contribute in cash, but may give their donation in any article of merchandise home-made goods or produce of the field or garden, live stock, from a chicken to a cow not being excluded. Considering the acknowledged amount of good they have done to the community and country. There should be no difficulty for these devoted workers to raise the above amount.

Results of the Departmental Examinations in the O. H. S.

The following are the results of the departmental examinations held in the Omemee High School.

Form III.—Lillie McGeough, Mabel Rutherford, Mabel Thompson (honors), H. Mulligan (French and German.)

From II.—J. H. Callaghan, S. English (honors), E. McConnell, M. Scott, B. Spence.

Matriculation (4).—M. Gardiner, A. Jones, M. E. Poast.

Matriculation (3).—F. Rowan.

This is an excellent showing, there being twenty out of twenty-five passing, which reflects great credit on the Principal, Mr. W. W. Jardine, and the Assistant High School Teacher, Mr. J. J. Morgan, as well as on the students themselves. Miss Mabel Thompson, daughter of Dr. Thompson, is deserving of special mention, she having passed with honors. We join with Mabel's many friends in offering congratulations.

There should be a very large attendance at the Omemee High School the ensuing term, since such splendid results have been accomplished.

Mr. Samuel Couch, Principal of the Omemee Public School, is also deserving of special notice, having passed seven out of nine at the entrance examination.

The Misses Edith Byers and Olive McQuade, the assistant teachers in the Public School, have also done good work.

Lindsay Cheese Board.

The regular fortnightly meeting of the Lindsay cheese board was held this morning in the town hall, and was well attended. President Thos. Robertson and the other officers were present, also Buyers Whitton, Cook, Flavelle and Fitzgerald.

The Factories Represented.

The following factories boarded the number of cheese placed opposite:

How the Bidding Went.

When President Robertson called for bids Mr. Fitzgerald promptly set the pace by offering 7 1-2c. for the first selection. Mr. Flavelle raised to 7 5-8c., Mr. Whitton to 7 3-4c., and Mr. Cook followed with a bid of 7 13-16c. Mr. Fitzgerald was still in the ring, however, and his limit warranted him in offering 7 7-8c., which was not bettered. He called Star, Mariposa, North Ops, Bobcaygeon, Oakwood, Cambray and Cameron; all accepted, the total being 634 boxes

Mr. Whitton offered a further selection, and named Janetville, Omemee, Fenelon Falls, North Verulam, Minden, Valentia, Reaboro, Maple Leaf, Palestine, Red Rock, Sutton and Little Britain, making 1,320 boxes in all. Leaksdale boarded, but the salesman did not arrive.

The cheesemen were jubilant over the high price obtained, as the condition of the market and the large number of cheese being held in Montreal had prepared them to accept a lower figure than that obtained.—Lindsay Post of Monday.

Grand excursion on 26th via. G.T.R. to Lindsay thence per St. Crandella to Sturgeon Point, Bobcaygeon and Fenelon Falls, from Bests Station and Omemee.

From the crop off 23 acres of spring and fall wheat on the farm of Dr. Cornwall, there was a yield of over 700 bushels on Monday. Mr. Richard Cornwall has the management of the farm and is to be congratulated on his success in growing wheat. Besides being profitable this farm is one of the cleanest and most comfortably situated in the county.

Mr. Wm. Morton's team ran away on Thursday of last week. His son, Wm. J., was unloading the milk at the Missing Link Cheese Factory, when the horses became frightened by an umbrella being put up, and ran to the railway crossing, when the milk cans were upset and a number of them badly damaged. A couple of the cans fell on the driver's legs, injuring him severely, he having to be carried home. We are pleased to learn, however, that he is able to be out again. Mr W. D. Stinson, our hustling tinsmith, had the contract of straightening the cans, and he fixed them up in first class style.
