No Limit to Happiness.

There is no limit to earthly happiness after a rheumatic sufferer has once used Dr. Hall's Rheumatic Cure. Mr. John Clarke, Pittsburgh, Ont., suffered with Muscular Rheumatism in his legs for ten months. He tried doctors and numerous patent medicines without relief. One bottle of Dr. Hall's Rheumatic Cure cured him completely.

BORN

In the Township of Emily, on Friday, Aug. 11th, 1899, to Mr. and Mrs. Robert Adams, a daughter.

Heavy Loss Averted.

An extremely well dressed young woman stood before the "art needlework" counter of one of the dry goods stores in Washington. She was unmistakably tailor-made, and her "scolding locks" were pinned up with a curled snake of turquoise. Half a dozen times she tried to engage the attention of the saleswoman, who had enough customers waiting to have occupied five saleswomen. Every time the saleswoman responded, "In a minute I'll wait on you," and went placidly on attending to the wants of somebody else. The well dressed young woman trembled with impatience. She understood their business like New York clerks," she said to her companion. "A New York clerk can wait on eight people at once."

Valuable Services Rewarded.

At the Epworth League on Monday evening last, ice cream and cake, pleasant chat and a social time of the programme, until at 9:30 Mr. C. F. Lindmark read the following:

ADDRESS TO MISS JENNIE EVANS

From the Methodist Church Revelstoke. Dear Miss Evans: It is with sincere regret that you have learned of our intended removal from our city and we have assembled here in the church, which has entered so largely into your sympathies and has formed so important a factor in your life, to-night to do you honor. We feel it would not be right or just or friendly to allow you to depart from us without the expression on our part of the love we all bear you. During the past three years of your residence in Revelstoke you have so conducted yourself from day to day and have taken such a deep interest in all the work of this church, that you have endeared yourself to all your faithful services in the Sunday school as organizer, and as teacher of the one of the most important classes, has been much valued by the Superintendent, the parents of the boys' taught, and we believe that impressions have been made and seed sown in these young hearts that will bear fruit in noble lives in the days to come. Your talents as a singer have been a joy to the altar of your church and your love as well. We think that you have literally fulfilled that precept in Miss Haverall's hymn.

J. E. ADAMS, Omemees.

Mr. Burton Mitchell, who has been enjoying his holiday with Omemees friends, returned to Rochester last week to resume work.

A farmer tells an exchange that he has made a discovery that will be of vast importance to the farmers during the dry season.

He has found that by planting onions and potatoes in alternate rows, the one is not so strong that they bring tears to the eyes of the potatoes in such vast volumes that the roots of the vines are kept moist and a crop raised in spite of drought.

For Wedding Presents, Watches, Clocks, Silverware, Beautiful New Goods, lowest prices, at W. F. McCarty's, Lindsay.—5-f.

Rev. E. Roberts will preach in the Methodist Church on Sunday next.

And in the evening on "The Law given to our first Parents in Eden—its justice and wisdom; and the consequences arising from its violation—a Vindication of the government of God." All will be made welcome.

Mr. and Mrs. R. J. Mulligan have returned from their trip to England and Ireland.

They report having had a very pleasant voyage both ways, and their visit among the English and Irish was much enjoyed. Master Clifford Mulligan had a handsome pony shipped to him by his father from Ireland. Mr. and Mrs. Mulligan in welcoming them home.

After a spin on their wheels a young man and his best girl were resting one evening recently near some woods.

As sudden they were startled by a strange sound nearby that the gentleman declared was the cry of a wild-cat and immediately raced away on his wheel, telling his companion to come as fast as she could. She did not, but investigated, and found that a dozen young pigs in a fence corner, some distance away, had been the cause of her "protector's" panic.

An Ohio exchange lately printed an item to the effect that a certain resident of its town, whose name it did not mention, had better stop kissing his hired girl or it might be found out.

Twenty-eight married men called on the editor and immediately stopped their paper, and accused him of interfering in their affairs.

Put Your Finger on Your Pulse

You feel the blood rushing along. But what kind of blood? That is the question. Is it pure blood or impure blood? If the blood is impure then you are weak and languid; your appetite is poor and your digestion is weak. You cannot sleep well and the morning finds you unprepared for the work of the day. Your cheeks are pale and your complexion is sallow. You are troubled with pimples, boils, or some eruption of the skin. Why not purify your blood?

will do it. Take it a few days and then put your finger on your pulse again. You can feel the difference. It is stronger and your circulation better. Send for our book on Impure Blood. If you are bilious, take Ayer's Pills. They greatly aid the Sarsaparilla. They cure constipation also.

Write to our Doctors. Write them freely all the particulars in your case. You will receive a free copy of our book. Address, DR. J. C. AYER, Lowell, Mass.
