A little English girl living near Manchester has been made the heroine of a real, actual fairy tale-just People Who Do Not Use Tobacco like one of the kind she loves. She won the heart of an old, seemingly crabbed man. He is dead now, and "Janey," at the age of 9, is worth \$2,500,060.

The story of Jane Loft's good when there was born in a mean a boy who in the ordinary course of events was christened John Port. His parents were among the poorest of the poor, and the boy had hardly emerged from babyhood before he was plunged into factory work.

and with no hope of securing it. At 5 o'clock in the morning the hoarse call of the whistles drew him to the mill and sent him heme again at 6. From then until 9 the boy struggled with his books in an effort to give himself knowledge which could not be given him by others.

the life of a common place boy. Other boys in his position had no to the prospect's of dreary work and angrily ambitious.

some day," he told his foreman. Living in this state of rebeliion, he attained his majority. He was eight years had been saving a little A Rash on Baby's Skin That Offrom his wages. He found himself

There was a certain grim humar in the revenge of another rejected lover, the story of which appeared in the west country papers a year ago. A wedding had been arranged and the groom had completed the furnishing of the house to which he intended to take his bride, when she cruelly and capriciously liked him and within two months was married to a rival. A week before the day fixed for the wedding the district was placarded with bills announcing an auction sale of all the household effects, to be held on the wedding day, and "in honor of the nuptials of Miss Alice -- and Mr. John--. The guests at this wedding are urgently invited to attend the sale, where they will be able to pick up many choice bargairls suitable for the home of the newly mar-

But perhaps the oddest celebration of a marriage on record was that of which a certain hotel in a midland town was the scene only a few months ago. In one room of the hotel the guests were making merry over a sumptuous wedding breakfast, while from the adjacent room man called the girl his "little ray Wore His Wedding Garments After came peals of laughter from the guests of a rejected but by no means broken hearted fiance of the bride,

market prices. We can also handle your Butter, Eggs, Poultry, Maple Syrup and other produce to advantage for you. THE DAWSON COMMISSION CO., Limited. Qer. West Market St., TOKONTO.

Rupture We are getting them, lots of them. When no other truss will hold them they come to us. "What we get we hold." The best is the cheapest." That's our patent produmatic pad Truss. It holds the edges of the wound together so that with fair play it must heal. You may get well; you can't get worse while you wear it. Precurable only from THE BELT AND TRUSS MFG. CO., Hernia Specialists. (33 Spading Ave., Togette.
