Mr. A. E. Micks, of Peterboro, is putting a flexible cement roof on the Commercial House. This roof is positively fire-proof.

At the Harvest Thanksgiving Service, held in St. James' Church, Emily, on Sunday, Sept. 7th, 1902, the Thank Offering for God's goodness to the congregation in sending such an abundant harvest amounted to \$114.50. The Rev. E. A. Langfeldt, of St. Luke's Church, Ashburnham, conducted the Service.

The Rector wishes to commend most heartily the good people of St. James' for their liberality, feeling assured that this exhibition of their faith in God will meet its just reward. Surely St. James' is a Church, whose example is worthy of imitation.

## How About Painting ?

Whether you are going to apply the paint yourself, or are buying it for someone else to apply, you ought to take great care to get full value for your money. It's not the paint that costs the least per gallon that is the cheapest; it's the one that covers most surface. Wears longest, and easiest to apply. That paint is the

# RIPANS

I have experienced a wonderful result in using Ripans Tabules. I was seriously affected with indigestion and heartburn. A friend suggested trying Ripans, and I was surprised at the improvement. On making application a few years ago for policy of insurance I was refused on account of a weak heart, but the same company passed me recently, and I give Ripans Tabules credit for the health I am enjoying. I can certainly recommend them to any one suffering with palpitation of the heart or indigestion.

# Rupture

THE MOST RELIABLE and Successful Authority—Greatest success in the treatment of Hernia (Rupture) Varicocele (False Rupture) of all known agencies in modern times. He who makes a specialty of one department must certainly be more experienced and capable than those having "many irons in the fire." Don't put off your case, believing it to be simple—Remember neglect often proves fatal. Have your case attended to now, and thus avoid danger. Stop wasting time and money elsewhere but come to one whose life-long study has taught him what to do. Do not depend on a doctor from another town, or because of repeated failures consider your case incurable. Because others failed in your case you have become discouraged. This is the very time you should consult me as my reputation has been made in curing hopeless (so-called) cases.

LADIES suffering from Navel or any form of Rupture should not hesitate in having their case attended to at once. Everything strictly private and professional.

NOTICES—Look to your children—Now is the time to have them cured, while young. Don't allow them to grow up handicapped in the race of life, with rupture.

MY CHARGES are within reach of all, the poor man as well as the rich. Terms can be satisfactorily arranged, no reason why you should not consult me at once, during this visit.

**VARICOCELE, FALSE RUPTURE** MEN OF ALL AGES SUFFER from this terrible affliction in some way. There is no other affliction to which man is heir that so completely nullifies him for the duties or pleasures of life as Varicocele.

The universal tendency of these conditions is to grow worse and more complicated—leading to impotency, nervous debility, weakness, sterility, lumbago, sexual exhaustion, etc. Do you intend to allow this insidious affliction to sap away your vitality? It is doing so now and if not checked will result in the above conditions. No matter how serious your case may be, time afflicted, or the failure you may have experienced in trying to be cured by medicine—free trials, or electric belts—my system will cure you; the way will return to their normal condition and hence the Blisters system will cure you; the way will return to their normal condition and hence the Blisters system will cure you; the way will return to their normal condition and hence the Blisters system will cure you.

Specialist will visit: LINDSAY, Benson House, During the Fair, Friday, Saturday, Sunday, 3 Days Only, SEPT. 26-27-28.

Consult Specialist Early.
