

STRATEGY OF EAGLES.

How They Plan Attacks on Un-suspecting Prey.

Some years ago Sir Charles Morand witnessed in Scotland a strange battle between an eagle and a stag, which completely disproved the theory that the ornithologist may put forward as to eagles not attacking large animals...

Sunlight Soap will not injure your blankets or harden them. It will make them soft, white and fleecy.

CLOTHED FOR A WEEK.

Mountain Climber's Success Due to His Dress.

Knowledge of what to wear takes on a new importance when the lack of it means death. Major Rankin, when preparing to climb Mount Aconcagua, one of the loftiest mountains in South America, found that a small part of his success in reaching the summit was due to the fact that he was suitably dressed.

CHAPTER II.

On a fine sunny morning very many years ago, two men were sitting in the parlor of a "retired" graduate of Cambridge, engaged in the process of being the retired officer and graduate Cambridge had disappeared, and the two men were immediately laid out on the floor, and a discussion totally unconnected with their previous studies, such a relief to amend their hour's continuous to any subject whatever, avoided thousands of the relaxation without doubt, but was instructive in the long degree.

"I say, Gerard," began

"Nobs," he said, "what's the Dandy? It was off to breakfast, and to-day's 'General Information.' 'Nobs' stood it, but he does as he likes."

Made: "Which would you rather

"Well, I'd like to be rich also."
