Cure for Potato Rot.

A correspondent of the Kingston Whig writes: To check the spread of potato rot in bins or pits a liberal sifting with pulverized charcoal will be of material value. It must be dry, however. It is a horrible thing to have potatoes rot in bins in the cellar under a dwelling house, very likely resulting in some bad fevers in the household.

A Composition on Pants.

Pants are made for men, and not for women. Women are made for men and not for pants. When a man pants for a woman, and a woman pants for a man, they are a pair of pants. Such pants don't last. Pants are like molasses; they are thinner in hot weather and thicker in cold. Men are often mistaken in pants; such mistakes are breeches of promise. There has been much discussion whether pants are singular or plural. Seems to us when men wear pants they are plural, and when they don't it is singular. Men go on a tear in their pants and it is all right, when the pants go on a tear it is all wrong. If you want to make pants last, make the coat first.

Fowl supper and sacred concert, Monday, in Christ Church.

Nothing Like Good Reputation.

To have a good reputation in business goes a long way toward success. When the Family Herald and Weekly Star, of Montreal, with their reputation for doing things right, announces to the public that they are issuing portraits of the King and Queen to their subscribers, the public will be satisfied that their picture is the best obtainable, and will wait for it. The public will not be disappointed, either. The Family Herald's portraits of the King and Queen are each 18 x 24 inches, and are truly a beautiful pair. They have also a third picture of the Duchess of Devonshire, in ten rich colours, 22 x 28 inches which is regarded as a perfect gem. All three pictures are to be given free to all yearly subscribers.

Presbyterian Anniversary Services.

It has become a time-honored custom with the Presbyterian people of Omemeo and surrounding districts to commemorate the opening of their church by special services. Accordingly these were held last Sabbath and as the day afforded a perfect type of the October weather, the various meetings were unusually well attended.
