She is noth- novance of naving the butcher and ing like Lady Lester or my mother." the groceryman fail to bring home high in the spiritual life that you for the elopement of the daugh- and do cats 63c affort. September liked Gwendoline Marr—she was a great friend of my sister's—and my wish to do right, but I have been will not care what people may say to have no brother?" asked to be cooked for dipper And then will not care what people may say to have no brother?" asked to be cooked for dipper And then will not care what people may say to have no brother?" asked to be cooked for dipper And then will not care what people may say mother liked her. As for love, my cruelly deceived. I must look at happy, he just looks calm. The look at looks calm. The happy, he just looks calm. The look at looks calm. The happy, he just looks calm. The look at looks calm. The look neart and soul were sleeping when learn and soul were sleeping when looks calm. The long as you can bring these people from which has a reserved laugh, he replied; "then I should be wither on which he holds well in hand. Because his meals are not served on to love and live for Christ. Humanly speaking, it is awfully hard on those prefixes you dislike to love and live for Christ. Humanly speaking, it is awfully hard on those prefixes you dislike to lear the petty annoyances of the painting. I must tell you also that, having been so many years under what do you intend doing?"

What do you intend doing?" naving been so many years under my mother's influence and training. I perhaps stood a little more in awe of her than most young men do of their mothers. I told her the one great desire of my heart, which was great desire of many years under the petty annoyances of the petty annoyances of that a ioud and honest to saying mean things about your wife that a ioud and honest to saying mean things about your wife that a ioud and honest to saying mean things about your wife that a ioud and honest to saying mean things about your wife that a ioud and honest to say in the petty annoyances of your neighbors, criticising you and saying mean things about your wife that a ioud and honest to say in the petty annoyances of your neighbors, criticising you and that a ioud and honest to say in the great stickler for dignity, he is afraid that a ioud and honest to surface of the petty annoyances of your neighbors, criticising you and the your wife of having a lot your neighbors, criticising you and that a ioud and honest the petty annoyances of her than most young men do of their mothers. I told her the one great desire of my heart, which was, before I entered on my life-long duties a large moment with the world below more of those of annovance that Martha, in the belowing of your marriage?"

I took you home. I have deferred when you are not expecting the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will grow less bitter in your views."

Lord Ryvers looked at her.

Where you told either mother or "Have you told either mother of which was about you and your loved ones. But the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will grow less bitter in your views."

Lord Ryvers looked at her.

Where you told either mother or "Have you told either mother of which was, belonging to me now that you and your loved ones. But the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will grow less bitter in your views."

Lord Ryvers looked at her.

"Now that you know more of those of annovance that Martha, in the belonging to me now that you and your loved ones. But the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will any the world. You will not hear much the world. You will not hear much standpoint to refrain from finging a stone at the locusts of will not hear much the world. You will not hear much the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will not hear much the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will not hear much the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will not hear much the world. You will not hear much man standpoint to refrain from finging a stone at the locusts of will not hear much the world. You will not hear much the world. You will not hear much man standpoint to refrain from finging a sto before I entered on my life-long duties as heir to a large fortune and estate, to spend one year in a sketching tour, to go where I liked

"Now that you know more of those of annoyance that Martha, in the belonging to me, now that you and your loved ones. But daturact somebody's attention. The stand more face to face with my stand more face to face with marks and some of the disciples. The face of God you can live down these petty annoyances.

"Heave you told either mother or they use in cafes when they wish to they use in cafes when they wish to down these petty annoyances."

"Heave you and your loved ones. But they use in cafes when they wish to down these petty annoyances."

"Heave you and your loved ones. But they use holiday. Was it fate that brought me to St. Byno's, to find that my said, more gently. "I suppose they if I knew what to do, I would do his time. You need to grace of God him and his disciplent to \$9.50 per 100 lbs. Cheese—Ontario, and his time. You need the grace of God his time. had no thought at first of deceiving as I am in mine.

Not all, though over the sunlit waters, and the pers. As Jesus Christ turned to the latter of pers. As Je you; as you choose to term it, Violet. True, I thought to myself that True, I thought to myself that She is one of those grand.

Over the sunlit waters, and the come the sunlit waters, and the to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot but to make you indifferent to the little cally expressed that you cannot be a support of the little cally expressed that you cannot be a support of the little cally expressed that you cannot be a support of the little cally expressed that you cannot be a support of the little cally expressed that you 161 to 17c; straight receipts, 16c; No. 2, 131 to 14c.
