Many a Girl Falls a Victim of Ills Which Affect Health and Happiness All Through Life. - Dr. Chase's Nerve Food.

Just on the threshold of womanhood, that trying period when the whole system is undergoing a complete change, many a girl falls a victim of Chlorosis, or green sickness. Her disposition changes and she becomes morose, despondent and melancholy. The appetite is changeable, digestion imperiect, and weariness and fatigue are experienced on the slightest exertion. Blondes become pallid, waxy and puffy, brunettes become muddy and greyish in color, with bluish black rings under the eyes.

Examination shows a remarkable decrease in the quality of the blood. Iron and such other restoratives as are admirably combined in Dr. Chase's Nerve Food are demanded by the system. The regular and peras are use of Dr. Chase's Nerve Food cannot fail to benefit any girl or young woman suffering from chlorosis, feminine irregularities or weakness resulting from poor blood and exhausted nerves. It reconstructs wasted tissue, gives color to the cheeks and new vitality to every organ of the body. Mrs. Williams, 73 Palace street, Brantford, states :- "My daughter, who was working in a grocery store, became so weak and run down in health that she had to give up her position. She was also pale and nerbecame and had very distressing attacks of headache. I got a box of Dr. Chase's Nerve Food and started

her using it. I could easily see an improvement in her looks, and she had not been taking it long before her her using her leading her her her her her her headaches disappeared. She is now entirely cured of her trouble, and consequently we value Dr. Chase's Nerve Food very highly." Dr. Chase's Nerve Food is woman's greatest help, because it forms new, rich, life-sustaining blood. 50 cts. a box, 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Toronto,
