Van Luven, Governor of the County Gaoi, of Napanee, Ont., writes:- "My wife has been a great sufferer from rheumatism for some time past. The disease attacked the limbs and was drawing them out of shape. The pain was most excruciating. She could not get anything to cure her. Mr. Huffman, druggist of this town, recommended South American Rheumatic Cure. The first few doses gave my wife perfect relief. To-day after taking four bottles of the remedy, she is certain that the disease is entirely eradicated rom her system and blesses the day she first
