GREAT COST OF LITIGATION IN THIS COUNTRY. Col. Leaison's Suggesti ps for Low Coform-flow the Law Administers Ja tice-From Appeal to Appeal I ntil the

Sultor is Bankrupt. The Canada Law Journal of the Ist police magistrate in reference to excessive law costs: The issue of that reply from Col. Denison, in which he says that he had not made charges against the legal profession; but one or two errors he goes on to say:-"Now, having corrected these errors, I will state my views in reference to the administration of civil jus-

"The State has taken upon itself the duty of settling disputes between citizens. This is an absolute necessity, unless we relapse into barbarism, where no man would have any rights unless he was able to defend them by force. The State, having taken upon Itself this duty, and having the power of organized Government to enforce anything it undertakes, it follows that
