lived among the miners and ranchers in our own West, and who first studied art in England when a youth, is recognized as Canada's leading exponent out-door painting. Air innest two last paintings are his best, two large canvases, portraying typical incidents of Coats, Capes, Caperines, Gauntlets, Muffs, Caps, Ruffs, etc., in our Western life. They are styled, "On the Edge of the Herd" and "The Miner's Farewell" The former is a striking incident of a round-up, a cow-pancher, thrown from his horse, being charged upon by a wild steer, while a fellow-con boy, racing after, as preparing to threw his lasso. The herd in the background grows restless and threatens to stampede. Behind all rice the snow-capped peaks of the Rockles. As a whole the painting is a masterplece of coloring, drawing and action.

"The Miner's Farewell" depicts a mounted miner with saddle-bags bulging with gold dust, homeward-hound. Bargains before you. has come as early as the 7th.
