A Toronto man of standing said...
 the other day that he had found...
 nothing that came so near to providing...
 the mix of life as does a bright daily...
 newspaper. It stimulates one to take...
 a lively interest in events the world...
 around. He went further, and de...
 clared that the paper that provid...
 ed this perennial stimulant to the gre...
 at degree was The Toronto Daily...
 Star.
 The Star's brightness is not, how...
 ever, the only factor which has con...
 tributed to its marvelous success in...
 the daily newspaper field. The Star...
 has a complete and accurate record...
 of stock and commercial transactions...
 daily, which business men may con...
 sult with confidence. On the staff...
 of The Star are three woman writers...
 who compile a page which makes The...
 Star very popular around the fireside.
 The Star's editorials are not blindly...
 partisan, but are fair, sane, and strong.
 Mr. C. W. Jeffreys, The Star's black...
 and white artist, is probably the best...
 in Canada, and his contributions to...
 the paper are a feature of great charm.
 Altogether, a more evenly balanced...
 newspaper it is impossible to find, and...
 it goes without saying that a daily...
 newspaper of some sort should go into...
 every home.
 You may get The Star and the paper...
 you are now reading from now until...
 December 31st, 1905, for \$1.75.

A Great Half Price Sale
 of Coats and Costumes
 purchased from an overstocked manufacturer.
 ON SALE NOW AND UNTIL SOLD. "Tis an ill wind that blows nobody good."
 How true this old adage is as applied to this big purchase of Coats.
 Great and good bargains are usually caused by the unforeseen happening. The plans...
 of mice and men "gang aft agley." This manufacturer's plans were on a very large scale;
 he planned for a great Coat season; made up hundreds of Coats for the expected repeat orders;
 from his customers. But unfortunately for him the orders didn't come as fast as he expected;
 and the Coats HAD TO BE SOLD AT ONCE.
 Lucky for us and for you. We happened to be looking for Coats about this time, and...
 WE BOUGHT HUNDREDS OF THEM AT THE MOST RIDICULOUS PRICE WE...
 EVER HEARD OF at this season of the year.
 Our fixed rule is, "sell as we buy." So here they are—ON SALE NOW AND...
 UNTIL SOLD, WOMEN'S AND MISSES' STYLISH NEW GARMENTS AT ABOUT...
 HALF PRICE.
 Look around and compare these bargains—they will stand comparison.

At \$3.90, reg. \$5 and \$7.50
 At \$6.90, reg. 8.50 and 12.50
 At \$4.90, reg. \$7.50 and \$10
 At \$9.90, reg. \$15 and \$20

The Editor of the Mirror met with...
 an unfortunate mishap on Saturday...
 evening, having severely sprained his...
 ankle, which necessitates the use of...
 crutches. Our readers will not, how...

 they look for most—as we are not at...
 a loss for hands if we are feet, and...
 everyone who knows anything about...
 typesetting knows that it is the hands...
 which are mostly used. Of course it...
 is not pleasant to have a sprained...
 ankle, or to be hopping about with the...
 help of sticks, but 'tis better so, than...
 to be laid up altogether, or that our...
 readers should miss the news—so here...
 we are to give you "the best that is."
 All orders for job work will receive...

A CARD.
 I beg to announce that the combination I have organized this season, for the presentation of...
 Harriet Beecher Stowe's immortal drama, "UNCLE TOM'S CABIN," is immeasurably superior, in...
 every respect, to any heretofore offered the public. To fully accomplish this I have spared no ex...
 pense in securing the first choice of Historic Talent, Gorgeous and Appropriate Scenery, Mechanical...
 and Electrical Effects, etc.
 My long experience as an amusement caterer has taught me that the best article offered is...
 invariably the best means of attaining a Good Reputation, and by anticipating the requirements and...
 desires of the theatre-going public, I am sure of establishing my own success in a managerial capacity.
 I therefore assert, without fear of dissent, that I have succeeded in placing before the public the...
 Great Drama, "Uncle Tom's Cabin," in a style of equipment that has never before been seen on the...
 American stage. Thanking the public for past favors, I beg to be, obediently,
 A. W. BEECHER.
