BOSCURVIS.
Special to the Mirror.
Johnston--Southam Nuptials.
The home of Mr. and Mrs. Richard Southam, Boscurvis, was the scene of a happy and a very interesting event. During the early morning of Dec. 20th, the occasion being the marriage of their eldest daughter, Emma, to William H. Johnston, a prosperous young farmer of Balgomi, N.W.T. Promptly at 7 a.m. the bride, prettily attired in white, entered the parlor, leaning on the arm of her father, who gave her away. The ceremony was performed by the Rev. W. P. McHaffie in the presence of the family and one or two immediate friends of the bride. This eve, all sat down to a beautiful wedding breakfast, at the close of which the happy couple drove away to take the west bound train at Oxbow for their future home at Balgomi. Mrs. Johnston is well-known and highly respected in this district and carries with her the good wishes of a large number of friends for her future happiness and prosperity.

Passed with Honors.
Miss Elsie Mitchell formerly of Omemee, but now of Boston Mass., passed her examination with honors at the above city last week. She has been promoted to the position of head nurse in the female hospital there. Miss Mitchell is to be congratulated on her success.

The programme was one of the best ever presented to an Omemee audience, and Loyal Orange Lodge 113 are to be congratulated upon their success in obtaining such a talented company for their annual concert. The receipts amounted to about \$90.00. The committee in charge are also deserving of much credit for their untiring and successful efforts to provide such an excellent program.

SHELDON'S NEWSPAPER.
The Rev. Chas. M. Sheldon's books, now so universally read, make it plain that that writer's hopes of the regeneration of the world lie in getting individuals more and more to do their daily tasks on Christian principles no matter what the sacrifice involved. In the best known of his books, "In His Steps," he clearly looks to the newspaper, carried on upon Christian principles, as largely the hope of the "coming kingdom." In looking about him for a newspaper upon his model, he seems to have hit on the Montreal Witness, to which he has addressed a letter, part of which we quote: "I have read the Witness with much interest. I cannot say that I know of any other daily paper in the United States that is conducted on such high Christian principles. I wish I did, for if ever we needed such a paper in our country, we need it now." "Let me express to you my appreciation of the Christian heroism and consideration which make a paper like the Witness a possibility. I have always believed it possible for a Christian daily to succeed. You have proved that it can. So much of the ideal newspaper in "In His Steps" is therefore." "I pray that you may continue to be blessed in your work. I do not know of a more glorious opportunity for building up the kingdom on earth than by means of Christian journalism. I take the greatest pleasure in sending the copies of the Witness to newspaper friends of mine for their inspection." "Very cordially yours,
"CHARLES M. SHELDON,
"Topeka, Kansas."

Steel Widmills
The "Ideal" for 1897, is by all odds the best in the market. Its first cost is very low, when you remember that it is strictly a High Grader, and the annual cost for maintenance and repairs is lower still. I have handled those mills for six years and have never yet made a repair on account of defect in material or poor workmanship.
