Ayer's Cherry Pectoral
The pressure on the chest is lifted, that feeling of suffocation is removed, and you are cured. You can stop that little cold with a 25 cent bottle; harder coughs will need a 50 cent size; if it's on the lungs the one dollar size will be most economical.

B. J. GOUGH,
The Big Clothier, LINDSAY & MIDLAND

WHEREAS it is necessary and desirable to raise by way of loan the sum of Two Thousand Dollars for the purpose of paying for the erection of a Bridge across Pigeon Creek known as "Cowan's Bridge."
AND WHEREAS for the purposes aforesaid it is necessary to create a debt to the extent of Two Thousand Dollars and to issue debentures therefor in a manner hereinafter mentioned.

AND WHEREAS the amount of the whole rateable property of the Township of Emily according to the last revised Assessment Roll for the year of Nine Hundred and Fifty-One Thousand, Seven Hundred and Forty-Three Dollars.
AND WHEREAS the amount of the existing debt of the Township of Emily is seven hundred and thirty-two dollars and eighteen cents, and there is no part of the principal or interest of the said existing debt in arrears.

Dr. Thompson then asked Rev. E. A. Langfeldt to present 3 graduating Certificates to the successful candidates. In doing this the speaker complimented the High School of having as its students such a body of intelligent and good looking young men and maidens. He especially rejoiced at seeing present four of the old boys who were witnesses to the efficiency and high-grade of the Omeme School had in educational life. They were a credit to any school the speaker said, and he thought Omeme could rightly be proud of them. It pleased him very much that these 4 young men had chosen the sacred Ministry to be their life's work, and he rejoiced that such earnest and good men were in God's own time filling the ranks of the Christian Ministry. The speaker exhorted the students never to be indifferent to their duties to God and to man, for indifference was the very foundation of all evil and failure.

Notice of Dissolution.
The partnership heretofore carried on between W. H. Kennedy and Jas. J. Nichols, as saw mill and planning mill operators, etc., at Omeme, under the firm name of Kennedy & Nichols, has this day been dissolved. W. H. Kennedy continues in the planing mill, and J. J. Nichols will operate the saw mill.
